Foundation School Manual Pastor Chris Oyakhilome:

Christian Foundation School Benedict Hardenberg, 2017 **Foundations** Billy Henderson, 2012-09-19 This manual is designed to bring Christians into a solid foundation in the Lord Jesus Christ. It is not written in book form but in outline form. The reason for this is simple: the desire for this volume is that it would help you get into the Word itself to see what it has to say about God and His ways. The questions are in two parts. The first set, Important Points, are designed to help you remember specific truths about the scripture. The second set of questions, Personal Application, is designed to help you apply the truths of these scriptures to your own life. You should first of all go through each study thoroughly before looking at the questions. Then go through the study again to answer the Important Points, being careful to use scripture references. Finally, only a brief review of the major headlines is needed to answer the Personal Application. In using this manual, you should go through point by point with your Bible open. You should look up all the scripture references and mark the most outstanding ones to your own life with a pen. The back of each page was left blank for you to use as a place to write notes. Summed up in one word, the Christian life can be defined as relationship. It first begins with God loving us and making relationship with Him possible. When we accept that offer and desire to walk with Him, the second stage of relationship is completed. The third aspect of relationship can be seen as horizontal, that is, between people. This manual will explore the extension of God's plan of salvation to man in the first section. The second section will deal with how a man cultivates relationship with God. The last section on the church and evangelism deals with relationship between people. *Cornerstone Foundation Manual* Michael Freeman, 2013-03-19 Laying the foundation for a spiritual house for God to inhabit in the person of the Holy Spirit is the purpose of the Cornerstone Foundation Manual. Being God's temple is what the church is and what we are. Whether used in individual or corporate study, personal discipleship or church growth group study or church planting, the Cornerstone Foundation Manual will assist you in laying the proper foundation to build that spiritual house. The Cornerstone Foundation Manual is a foundational synergism wherein all the studies taken together in their order produce a greater impact and overall total effect than taking the lessons randomly. Each study is designed to overlap the previous study and interlock with the upcoming study, building God's house brick by brick, line upon line, precept upon precept, here a little and there a little.

Foundation of Life and Ministries Michael Adunade, 2016-04-18 The mandate of the church is to rescue mankind from their Egyptian roots under the grip of Satan, i.e. Pharaoh, prepare them through discipleship in the wilderness and deliver them to the promise land on earth and eternity. This is the Great Commission given to us by our Lord Jesus Christ. If the foundation be destroyed, what can the righteous do? This book is written to unveil the stages of the battle and the mysteries provided by God in His word to overcome each stage of this journey and become fruitful in the promise land. It's a manual with practical illustrations and testimonies to give individuals, families, churches, and even nations a proper foundation and direction in life and ministry. **Foundation Stones** Mark A. Burlingame, 2016-07-22 The wind of the Spirit is blowing again.
