

The book cover features a collage of images related to materials science and engineering. At the top left, a portion of a metallic sphere is visible. Below it, a horizontal strip contains three distinct images: a molecular structure with blue spheres and connecting lines on the left, a close-up of a hexagonal metal mesh in the center, and a bundle of coiled black corrugated pipes on the right. The bottom section of the cover is divided into two parts: the left side shows a stack of dark, rectangular blocks, and the right side displays a series of concentric, curved metallic lines.
