Duffield, 2000 **Spirit and Power** William W. Menzies, Robert P. Menzies, 2011-05-03 The times have long passed when Pentecostals were viewed as Protestantism s untouchables Today the shock waves from Azusa Street have influenced countless Evangelicals worldwide But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God s Spirit it has challenged Pentecostals to examine their theology more deeply in the light of his Word Just how firm is the biblical foundation on which they stand Spirit and Power provides a cutting edge look at Pentecostal theology It addresses the concern expressed by its authors and echoed throughout charismatic churches today Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8 they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture In response theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light Spirit and Power is no mere paraphrase of dated approaches It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit filled theology Whatever your persuasion may be as a Christian this book s thoughtfulness balance and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance Laying the groundwork for an accurate understanding of Luke s writings in particular the authors help you grasp the foundations of Pentecostal theology from the standpoints of history hermeneutics and exegesis Then in Part Two they give you an in depth look at specific Pentecostal

concerns the baptism of the Holy Spirit as a blessing subsequent to salvation evidential tongues signs and wonders healing in the atonement and more You ll deepen your understanding of the basis for Pentecostal beliefs And you ll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today *Foundations of Spirit-Filled Theology* Guy P. Duffield,Nathaniel M. Van Cleave,2021 Discover doctrinal principles from a Pentecostal perspective Featuring sound doctrine in easy to understand terms this book covers topics key to the Trinity and the Christ follower s spiritual life such as Spirit filled theology sin and salvation divine healing ecclesiology and more Written by Guy P Duffield and Nathaniel M Van Cleave **Christ-Centered** Robert P. Menzies,2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience In Christ Centered Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical Book Trailer for Christ Centered embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% [The Spiritual Soul](#) Matthew J. Churchouse,2024-04-30 What is the human soul What does it do How does it relate to the brain and body What is happening in the soul when a person encounters the Holy Spirit These are some of the questions addressed in The Spiritual Soul as it advances towards its overall goal of proposing a re new ed Pentecostal Charismatic understanding of what constitutes a human being In pursuing this overarching intention

Churchouse responds to the anthropology of two leading Pentecostal scholars Amos Yong and Veli Matti Karkkainen specifically their theological models concerning what a human is constituted essentially made up of to offer an enhanced Pentecostal model in preference to their monistic view Drawing upon the sources of biblical studies the philosophy of mind and upon the pneumatology that flows from Pentecostal spirituality Churchouse advances a renewed understanding of the human soul one illumined by the spirit and the Spirit to engender his distinctive Pentecostal model of human constitution

The Importance of Inner Healing and Deliverance for Effective Discipleship Johnathan Lee Shoo Chiang, 2019-12-18 Personal encounters with God are vital for the current generation of believers the postmodern millennial generation who affirm truth through experience Instead of the traditional view of inner healing and deliverance IHD as a hospital unit of the church this dissertation turned book will explain the biblical theological and current relevance of incorporating IHD into the discipleship structure of the local church With field research based in Singapore and Taiwan a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God experience divine healing and wholeness and become equipped for ongoing sanctification

Pneumatology and Union Peter Ross, 2019-07-11 Peter Ross examines how John Calvin might assist Pentecostals in the development of a global Pentecostal theology by examining the views of each on pneumatology and the Christian's union with Christ He conducts a conversation between the two within the contexts of the assurance of faith providence and guidance and justification each an area in which the Spirit and the union are substantially involved for both parties He also looks closely at Spirit release showing that this Pentecostal distinctive can sit well as an extension from Calvin's thought Ross shows that affinities exist between Pentecostals and Calvin in these contexts These affinities clearly identify Calvin's thought as a rich resource for Pentecostals one they should not hesitate to mine as they develop their own global theology

Menzies, 2022-02-03 Many have grown tired of confusing interpretations of the book of Revelation which feature end time scenarios that either miss the mark or appear largely irrelevant to their lives A fresh approach is needed if we are to recapture the vitality of John's message and receive its desperately needed truths The End of History offers precisely this with its call for Pentecostals in
