Foundations of Pentecostal Theology (Revised & Updated) Guy P. Duffield, 2016 *Foundations of Pentecostal Theology* Duffield Guy, Guy P. Duffield, Nathaniel M. VanCleave, Van Cleave Nathaniel, 1983-06 *Spirit and Power* William W. Menzies, Robert P. Menzies, 2011-05-03 The times have long passed when Pentecostals were viewed as Protestantism s untouchables Today the shock waves from Azusa Street have influenced countless Evangelicals worldwide But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God s Spirit it has challenged Pentecostals to examine their theology more deeply in the light of his Word Just how firm is the biblical foundation on which they stand Spirit and Power provides a cutting edge look at Pentecostal theology It addresses the concern expressed by its authors and echoed throughout charismatic churches today Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8 they did not always

articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture In response theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light Spirit and Power is no mere paraphrase of dated approaches It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit filled theology Whatever your persuasion may be as a Christian this book s thoughtfulness balance and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance Laying the groundwork for an accurate understanding of Luke s writings in particular the authors help you grasp the foundations of Pentecostal theology from the standpoints of history hermeneutics and exegesis Then in Part Two they give you an in depth look at specific Pentecostal concerns the baptism of the Holy Spirit as a blessing subsequent to salvation evidential tongues signs and wonders healing in the atonement and more You ll deepen your understanding of the basis for Pentecostal beliefs And you ll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today *Foundations of Pentecostal Theology - French* Guy P. Duffield, Nathaniel M. Van Cleave, 2021 Discover doctrinal principles from a Pentecostal perspective Featuring sound doctrine in easy to understand terms this book covers topics key to the Trinity and the Christ follower s spiritual life such as Spirit filled theology sin and salvation divine healing ecclesiology and more Written by Guy P Duffield and Nathaniel M Van Cleave *AB Bookman's Weekly* ,1987-11

Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God s story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God s people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative s persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future *Foundations of Pentecostal Theology* Guy P. Duffield, 2000 **Christ-Centered** Robert P. Menzies, 2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience In Christ Centered Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement

is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical *Charisma and Christian Life* ,1993 *Pentecostal Theology* Keith Warrington,2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis Thus this volume incorporates praxis as part of the enquiry relating to theology *The International Pentecostal Holiness Advocate* ,1991 **The New Interpreter's Study Bible** Walter J. Harrelson,2003 In a new study Bible based on The New Revised Standard Version with Apocrypha 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations brief introductions and outlines for each biblical book 19 newly commissioned historical maps and more

Changing the World Through Kindness Steve Sjogren,2005-03-03 When you think of spiritual warfare what comes to mind Stressed out saints duking it out with demons Mystical believers seeing things most of us can't According to but they also keep most of us from gaining the spiritual victories God wants us to enjoy Changing the World Through Kindness shows how every believer can fight the powers of darkness through the greater power of kindness Using real life stories to illustrate effective principles from the Word of God Sjogren shows readers step by step how to live a life that will change them their families their neighborhoods and their churches and eventually the world **Essentials of Pentecostal Theology** Tony Richie,2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing

believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly *The British National Bibliography* Arthur James Wells, 2009
