**Ladies** Jane Robinson,2001-09-27 Real ladies do not travel or so it was once said This collection of women's travel writing dispels the notion by showing how there are few corners of the world that have not been visited by women travellers There are also few difficulties physical or emotional real or imagined that have not been met and usually overcome by these same women Jane Robinson's first book Wayward Women was a guide to women travellers and their writing and having read over a thousand of their books she is uniquely qualified to compile this anthology Life is never dull for her intrepid women whether diving to the bed of the Timor Sea or reaching the summit of Annapurna From an encounter with a snake in the Amazon jungle to shipwreck and kidnap on the Barbary Coast there are tales of adventure derring do and great danger There are also moving accounts of unimaginable hardship including caring for a family in an ammunition cart during the siege of Delhi and a journey through Tibet that leaves its author childless and widowed There is no such thing as a typical woman traveller and there never has been as this exhilarating anthology shows on a journey of its own through sixteen centuries of travel writing aboard almost anything from a Bugatti to a Bath chair You are taken as far afield as it is possible to go in the company of some of the most extraordinary characters you are ever likely to meet *Toys in the Closet* Trent D.

Pendley,2015-08-24 Toys in the Closet is a historical fiction set in the sensuous singing sands of the Indiana dunes on the southern shores of Lake Michigan This is the journey of Nathan Franklin whose family participated in the most vicious confrontation between environmentalists and industrialist over the Hoosier coast Nathan a Jewish writer is out of season visiting his beach home on Christmas Day 97 and exploring the story book rooms of Brighton House a repository of so many works of art by artists who have painted the dunes and a treasury of family heirlooms each with vignettes of a landed past Nathan though lonesome on Christmas in the aftermath of a winter blizzard realizes he isn't alone at all surrounded by his

sense of what the world looked like within the cabarets of Berlin and at the same time lets us see from a historical distance these lost performers enacting the political sexual and artistic issues that made their city one of the most dynamic in Europe
