A Collection of Performance Tasks and Rubrics Charlotte Danielson, 1999 A collection of 20 class tested activities corresponding to K 3 math topics

Designing and Using Performance Tasks Tracey K. Shiel, 2016-09-14 Stretch student thinking with performance based tasks With waves of high stakes assessments rolling through the education waters many educators feel tied to teaching to the test But there is a bright side With the increased attention on assessment outlined in The Every Student Succeeds Act comes a surge of interest in designing performance based tasks an important key in unlocking your students readiness for career and college Designing and Using Performance Tasks Enhancing Student Learning and Assessment walks you step by step through the process of incorporating performance tasks as a tool to teach monitor and extend student learning This book will help you Make instructional decisions based on student performance of learning tasks Learn all about the different kinds of performance tasks and the benefits of each Incorporate learning progressions as an integral part of planning performance tasks Close the knowing doing gap by focusing on considerations for successful implementation If you re ready to engage your students in unique and innovative ways grab a copy of this book to guide you and your students in applying their learning and your teaching to real world situations Teaching using performance tasks was by far was the most difficult type of teaching strategy for me to learn When I began my teaching career not many people were using this strategy but I was fortunate to have a mentor who understood the process and was willing to teach me two very rare occurrences in the teaching world Thank heavens for Tracey Shiel who has the ability to communicate the process so well and in such a manner that you enjoy reading about it at the same time another rare event in education I know from experience students who learn using this strategy retain the information for longer periods of time giving teachers a stronger base upon which to build Pamela L Opel Teacher Gulfport School District
