What's New

Penalty Increase – Beginning on or after January 1, 2016, the penalties related to failure to file information returns have increased. See General Information F, Interest and Penalties, or get FTB Pub. 1150, *Withhold at Source Penalty Information*, for more information.

General Information

Do Not Round Cents to Dollars – On this form, do not round cents to the nearest whole dollar. Enter the amounts with dollars and cents as actually withheld.

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB) on income sourced to California. The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release

of loan funds made in the normal course of business are exempt from backup withholding. For additional information on California backup withholding, go to ftb.ca.gov and search for **backup withholding**.

If a payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number (TIN) before filing a tax return. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp no.); or California Secretary of State (CA SOS) file number. Failure to provide a valid TIN will result in the denial of the backup withholding credit.

Registered Domestic Partners (RDPs) –

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic

"partnership," as applicable. For more information on RDPs, get FTB Pub. 737, *Tax Information for Registered Domestic Partners*.

A Purpose

Use Form 592-B, *Resident and Nonresident Withholding Tax Statement*, to report to the payee the amount of payment or distribution subject to withholding and tax as reported on Form 592, *Resident and Nonresident Withholding Statement*, or Form 592-F, *Foreign Partner or Member Annual Return*. Complete a separate Form 592-B for each payee.

Form 592-B is provided to the payee to file with their state tax return. This form can be provided to the payee electronically. For more information, go to ftb.ca.gov and search for **electronic 592-B requirements**. A broker can provide Form 592-B as a composite statement. For more information, go to ftb.ca.gov and search for **composite 592-B**.

Do not use Form 592-B to allocate or distribute withholding to each payee. Use Form 592 or Form 592-F.
