

FRANKENSTEIN Study Guide

Letters 1-4

1. Who is writing Letter 1 (and all the letters)?

Robert Walton

2. To whom is he writing? What is their relationship?

Mrs. Saville, his sister

3. Where is Robert Walton when he writes Letter 1? Why is he there?

What are his plans?

St. Petersburg, Russia. He is hiring a crew for his ship. He intends to sail to the North Pole and discover magnetism.

4. What does Robert Walton tell us about himself?

He is passionately committed to discovery and adventure. He wishes he had a friend with the same sensibilities and he says he is self-taught.

5. Where is Walton now? What do you think of Walton's question "What can stop the determined heart and resolved will of man"?

Walton is out to sea, sailing north. The quotation establishes the Romantic idea of the power of emotion over reason.

6. How much time has elapsed between Letter 3 and Letter 4? What "strange accident" has happened to the sailors?

One month has lapsed. The accident is the ship is trapped in ice and fog.

7. Why does the man picked up by the ship say he is there? What shape is he in?
