Hidden Messiah Roman Conspiracy Of Christian Apostasy:

Hidden Messiah Mark F. Kalita, 2014-10-18 Author Mark F Kalita's release of Hidden Messiah Roman Conspiracy of Christian Apostasy claims that the prophecy of horns within the seventh chapter of Judaic prophet Daniel's book is about the Roman Catholic Church Mark also claims to have deciphered the true calculations of the End Times using the Judaic Jubilee calendar to show that the second witness is currently upon the earth In his new book Mark writes that this second witness was born in 1963 and has been giving testimony to a world overcome with denial If you look at history within the proper context and realize that the prophecy of Daniel was about spiritual matters and not of a temporal kingdom the truth becomes clear Zechariah quotes God as saying Not by might nor by power but by my spirit as did other prophets so why would this be a temporal matter questions Mark in a recent interview In the 300 years after the first one gave his testimony the emperors of Rome fought in a war over spirit The Caesars claimed that they were gods They did not like any other gods In 380 CE three Caesars Theodosius I Gratian and Valentinian II delivered the Edict of Thessalonica in order that all their subjects should profess the faith of the Bishop of Rome The three horns gave their power to the one who was diverse from all the rest of the 10 others In his book Mark not only shows that 2014 CE is the beginning of the elusive End Times but his calculations also show when the followers of the first one found the light and had miracles of spirit as recorded in the book of Acts Using Scriptural reference Mark explains that Jesus was a man the first anointed one of Judaic prophecy and that there is a second anointed one who is alive today This Hidden Messiah is currently warning the people of the earth of the earth changes that will take place in the Judaic year of 5777 2016 2017 CE It is unfortunate that the Vicar of Rome has changed the times and the laws The Judaic Jubilee calendar as given to the people of the earth by the archangels tells a fantastic story of the heavens and our place within it Mark discloses about his work The people of the earth must realize that the earth resides within the heavens Mark uses direct references taken from the King James Version of the bible which explains the two anointed ones within Judaic and Christian prophecy The two messiah system explained within the book outlines how these two stand at different places within history The thing with the dogma of Rome that I found most interesting is that there is no proof for their beliefs within their own canon Even within the corrupted texts of Paul he calls their Jesus a man Mark explains I have a great amount of biblical proof within my book to support my findings I have published volumes of information with direct substantive quotes and proof from within all religious texts They tell a far different story than what Rome has made up Religions of men were created by men for the benefit of men In the heavens there is no religion only the adoration of God You are in the heavens Mark concludes The family on earth has been given this planet to cherish steward and keep for all generations of their family Unfortunately the Roman dogma runs counter to some very basic tenets within their own canon Without direct substantive proof the dogma makes unsupported claims about the heavens I show a system based in facts and I am branded as evil and twisted The Roman church has told stories based on no facts from within their own canon since

Caesar's messiah : the Roman conspiracy to invent Jesus Joseph Atwill,2011 Caesar s Messiah a real life Da Vinci Code presents the dramatic and controversial discovery that the conventional views of Christian origins may be wrong Author Joseph Atwill makes the case that the Christian Gospels were actually written under the direction of first century Roman emperors The purpose of these texts was to establish a peaceful Jewish sect to counterbalance the militaristic Jewish forces that had just been defeated by the Roman Emperor Titus in 70 A D Atwill uncovered the secret key to this story in the writings of Josephus the famed first century Roman historian Reading Josephus s chronicle The War of the Jews the author found detail after detail that closely paralleled events recounted in the Gospels Atwill skillfully demonstrates that the emperors used the Gospels to spark a new religious movement that would aid them in maintaining power and order What s more by including hidden literary clues they took the story of the Emperor Titus s glorious military victory as recounted by Josephus and embedded that story in the Gospels a sly and satirical way of glorifying the emperors through the ages

Shakespeare's Secret Messiah Joseph Atwill,2014-04-07 With his best selling book Caesar s Messiah Joseph Atwill established himself as one of the world s most penetrating independent scholars rocking the field of Biblical studies and changing our modern understanding of Jesus and the Gospels forever He uncovered what has been kept hidden from the public for millennia Christianity began as a highly complex psychological warfare campaign during the First Jewish Roman War an ambitious literature project began by the Caesars that was later honed into a potent tool of statecraft used to this day by the oligarchy for mass pacification Shakespeare s Secret Messiah is the forceful follow up that could take the whole of Shakespearean scholarship in a new direction Continuing his expos on the New Testament revealing who really wrote the letters of the Apostle Paul and the Book of Revelation Atwill demonstrates that the thrust behind the famous playwright s work was to wreak literary revenge measure for measure against the deception of the Caesars The Bard s hidden war on the the Roman Catholic Church encoded in puzzle passages in the plays is the key that finally unlocks the true identity of Shakespeare explaining why the real author chose to hide behind a pseudonym and why other anti Stratfordian theorists have been looking in the wrong place Atwill shows step by step how to decrypt familiar works of literature that the average person is expected to revere but not really understand giving the reader the skills to recognize the true political struggles that have been commemorated in a shadowland of symbols guarded by the ruling classes and in secret societies

The Christ Conspiracy Acharya S.,2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling

evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The result of this myth making has been The Greatest Conspiracy Ever Sold Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil Lionel Attwell,2007-08-01 Lionel Attwell a former highly successful national newspaper reporter spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines In the process it created a pagan counterfeit Christianized Messiah His research also reveals the incredible events which actually occurred in the Garden of Eden the forbidden fruit was a narcotic and aphrodisiac when high Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind He also explains the causes of human disasters and suffering This book will change your life

Making the Gospels ,2019-05-23 The Gospels are the most important texts of the Bible because they tell the story about Jesus who he was and what he achieved If we did not have the Gospels the prophecies about the Messiah in the Old Testament would be left hanging and the passing references in the apostles letters would leave us baffled about the identity of this mysterious figure Jesus During the past several hundred years some scholars have implied that key figures from the first century had conspired to present a Jesus who was different from Jesus as he really was Paul Mark and the editor of the so called Q document The real Jesus it is claimed was not a redeemer but a charismatic rabbi or prophet Paul Barnett engages with key advocates of a deconstructed Jesus by attempting to work out historically just how the Gospels came to be written As a result of this inquiry a cogent picture emerges that explains many of the who the when and the why questions about the writing of the Gospels Inevitably however because of our distance from that era there are many details missing and many details that remain a mystery But mystery does not imply conspiracy *Who Chose the Gospels?* C. E. Hill,2010-09-30 The Bible contains four Gospels which tell the story of Jesus of Nazareth And yet many more Gospels once existed Who then determined which Gospels would for the next two thousand years serve as the main gateways to Jesus and his teaching

Recent books and films have traced the decision to a series of fourth century councils and powerful bishops. After achieving victory over their rivals for the Christian name, these key players are now told conspired to rewrite history to make it look like their version of Christianity was the original one preached by Jesus and his apostles. The Gospels of Matthew, Mark, Luke, and John became the prime tools for their re-sculpting of the Christian story, leading to the destruction of previously treasured writings like the Gospels of Judas, Mary and Thomas. Are the four canonical Gospels then in the Bible as the result of a great ecclesiastical conspiracy? Or does this explanation itself represent another rewriting of history this time by a group of modern academics? Who Chose the Gospels takes us to the scholarship behind the headlines, examining the great and ongoing controversy about how to look at ancient books about Jesus. How the four Biblical Gospels emerged into prominence among their competitors is a crucial question for everyone interested in understanding the historical Jesus and the development of the Christian church.

Taking Caesar Out of Jesus Robert M. Wills, 2013-10. Jesus is the center of Christian faith and the Bible is its holy book, its sacred scriptures. For hundreds of years, this meant that Jesus was divine and the Bible was a divine product. This remains the primary perspective for many Christians today. However, it has mutated appreciably for others. It is not that Jesus is no longer thought of as the center of Christian faith or the Bible as Christianity's sacred scriptures. Those remain true for everyone. However, studies in biblical criticism and the historical Jesus suggest Jesus was a Palestinian Jew, a human being not different in that respect from you and me. Divinity was bestowed upon him by his followers and eventually took the form of imperial divinity after the example of Caesar. This presents a conundrum for Christianity: What for instance is Christianity to do with a human being at its center? How has Christianity accommodated imperial rule? What do we do with those imperial titles by which he is known: Lord, Savior, Redeemer, and Son of God? Taking Caesar out of Jesus presents a new portrait of Jesus based on solid historical evidence assembled from the works of hundreds of critical biblical scholars. As the subtitle proclaims, Jesus emerges from this book as a new figure relevant to the 21st century. Some will say this new perspective destroys Christianity. Others will find Jesus to be far more believable and compelling. Anyone will find this progressive approach to uncovering the historical Jesus thought provoking. This book however goes beyond biblical criticism and a new portrait of the historical Jesus. It confronts the Christian proclamation that Jesus is humanity's savior, including the notion that it needs a savior. It suggests that the historical Jesus never embraced the well-known notion of divine salvation. To the contrary, Jesus embraced Judaism's wisdom tradition. In the wisdom tradition, a person deals with the exigencies of life by developing a new vision of reality and by acting differently. Jesus did not provide an instruction manual for living; rather, he pointed us in the direction of self-management. As described in this book, this new way of living, taken from Jesus's parables and aphorisms, will startle some and stir others toward greater maturity and responsibility for their own lives.

False Messiah Un-Maa Saa, 2016-07-12. Did you know that Paul, the apostle to the gentiles, had never been an apostle? Did you know that Christianity had begun over 17 years after the crucifixion and had

never been the religion of the apostles Did you know that before 80 CE no one had had any notion of Jesus having disciples Jesus having made profound statements Jesus having performed miracles or Jesus having actually been seen alive after his crucifixion And did you know that no one knows who the gospel writers had been That their first audience had known their gospel accounts to have been aggadic fiction And that it had been corrupt Christian leaders of the second century who had declared the gospel accounts to have been the authentic word of God even though internal evidence has always shown that they re not FALSE MESSIAH discloses a small portion of the information that a well informed Christian clergy has consciously kept from the awareness of their Christian congregations For anyone who has ever been asked Have you accepted Jesus Christ as your personal lord and savior FALSE MESSIAH provides clear and irrefutable PROOF that the answer should always be an emphatic No As an academic response to the dishonest promotion of religious based ignorance FALSE MESSIAH is a valuable addition to anyone s arsenal of truth and knowledge
