Hinduism Or Christianity:

The Emergence of Hinduism from Christianity M. M. Ninam, 2008-07-02 This book establishes that Hinduism is really of very recent origin. Evidences based on Archeology, Linguistics and History establish beyond reasonable doubt that the modern Hinduism is an outgrowth of Thomas Christianity under the influence of Syrian Gnosticism. The myths of Mahabali and Parasurama refer to the defeat of Christians at the hands of the Vaishnavite gnostics. Evidences include the archeology of temples and idols. Earliest temples date only from 150 AD. Earliest Sanskrit document dates only from 150 AD. Vedic gods disappeared, new concept of Iswara came soon after the first century AD. In fact, Hinduism appeared in Kerala only after 6th C AD. This revised edition attempts to explain the Indian terms and history so that the book may be understood by non-Indian and non-Hindu readers. **Themes in Hinduism and Christianity** Roger Hardham Hooker, 1989 In the Introduction the author describes the experience which led him to write the book and on which much of it is based. He then considers seven themes: these are myth, time, evil, purity, images, renunciation and woman. Each theme is allotted a chapter in which it is considered first within a Hindu and then within a Christian context. This treatment brings out the differences and similarities between the two traditions in ways which are often unexpected. In the final chapter he examines the implications of his findings both for the theology of religions and for inter-faith encounter. *Hinduism and Christianity* J. L.

Brockington, 2016-07-27 A selection of themes from the two religions of Hinduism and Christianity chosen to highlight the central concerns of both while not neglecting their internal diversity and also maintaining a balance between doctrine and practice in order to compare like with like. The themes addressed are the nature of the divine, divine interaction with mankind, authority and mediation, devotionism and personal piety, meditation and asceticism, social values and morality and teleology. The final chapter then outlines the history of contact and dialogue between the two religions. Although the treatment is thematic, the process of historical development is given due attention. *Hinduism and Christianity* John Robson, 1905

Hindu-Christian Dialogue: Perspectives and Encounters Harold Coward, 1993 FOR SALE IN SOUTH ASIA ONLY

Hindu God, Christian God Francis X. Clooney, 2001-09-27 This volume offers an in-depth study of key themes common to the Hindu and Christian religious traditions. It redefines how we think about Hinduism, comparative study and Christian theology. This book offers a bold new look at how traditions encounter one another and how good comparisons are to be made. Redefining theology as an interreligious comparative dialogical and confessional practice open to all people, it invites not only Hindus and Christians but also theologians from all religious traditions to enter into conversation with one another.

Hinduism and Christianity Daniel E Bassuk,1987-01-26 *Hindu-Christian Dialogue* Mariasusai Dhavamony,2021-11-15
Dialogue is an integral part of the mission of the Christian church The immensity of the ocean of Hindu doctrine and thought presents a significant obstacle to Christians who have been invited by the Roman Catholic Church to scrutinize the divine Mystery present in other religions Many fascinated by Hindu mysticism confuse permanent Hindu beliefs with certain current Western religious movements India s quest for the divine embodies multiple forms Its millennia old methods of meditation and varieties of asceticism often confuse those who are less inclined to experience of an inner spiritual nature This book attempts to address some of these difficulties and questions It is the author s belief that in the Hindu Christian encounter the Christian believer will also rediscover the originality and newness of the Christian revelation viz the intervention of God in the history of salvation whereby God reveals his salvific love in Jesus Christ Possessing expert knowledge of both Hinduism and Christianity the author approaches the Hindu Christian dialogue with sympathy and discernment *The higher Hindūism in relation to Christianity* Thomas Ebenezer Slater,1902
