"I woke up with a smile on my face every morning during the two or three days I spent reading His Ownself. It's a casual and sly sportswriter's memoir... one of those books that reminds you that good stories happen only to people who can tell them."—Dwight Garner, *New York Times*

Star State Gaylon Finklea Hecker, Marianne Odom, 2021-04-06 Gaylon Finklea Hecker and Marianne Odom began the interviews for this book in 1981 and devoted a professional lifetime to collecting the memories of accomplished Texans to determine what if anything about growing up in the Lone Star State prepared them for success The resulting forty seven oral history interviews begin with tales from the early 1900s when Texas was an agrarian state and continue through the growth of major cities and the country s race to the moon Interviewees recalled life in former slave colonies on gigantic ranches tiny farms and sharecropper fields and in one horse towns and big city neighborhoods with relatable stories as diverse as the state s geography The oldest interviewees witnessed women earning the right to vote and weathered the Great Depression Many remembered two world wars while others recalled the Texas City explosion of 1947 and the tornado that devastated Waco in 1953 They witnessed the advent of television and the nightly news which helped many come to terms with the assassination of a president that took place too close to home Their absorbing reflections are stories of good and bad hope and despair poverty and wealth depression and inspiration which would have been different if lived anywhere but Texas
