History November P2014 Memorandum:

A World History of War Crimes Michael S. Bryant, 2015-12-17 A World History of War Crimes provides a truly global history of war crimes and the involvement of the legal systems faced with these acts Documenting the long historical arc traced by human efforts to limit warfare from codes of war in antiquity designed to maintain a religiously conceived cosmic order to the gradual use in the modern age of the criminal trial as a means of enforcing universal norms this book provides a comprehensive one volume account of war and the laws that have governed conflict since the dawn of world civilizations Throughout his narrative Michael Bryant locates the origin and evolution of the law of war in the interplay between different cultures While showing that no single philosophical idea underlay the law of war in world history this volume also proves that war in global civilization has rarely been an anarchic free for all Rather from its beginnings warfare has been subject to certain constraints defined by the unique needs and cosmological understandings of the cultures that produce them Only in late modernity has law assumed its current international humanitarian form The criminalization of war crimes in international courts today is only the most recent development of the ancient theme of constraining when and how war may be fought

Needs and Opportunities in the Modern History of the U.S. Navy Michael J. Crawford, 2018 This is a compilation of a series of papers presented in conjunction with a year long lecture series sponsored by the Naval History and Heritage Command Provided by publisher

The Bonin Islanders, 1830 to the Present David Chapman, 2016-02-23 This book is a collection of interwoven historical narratives that present an intriguing and little known account of the Ogasawara Bonin archipelago and its inhabitants The narratives begin in the seventeenth century and weave their way through various events connected to the ambitions hopes and machinations of individuals communities and nations At the center of these narratives are the Bonin Islanders originally an eclectic mix of Pacific Islanders Americans British French German Portuguese Italian and African settlers that first landed on the islands in 1830 The islands were British sovereign territory from 1827 to 1876 when the Japanese asserted possession of the islands based on a seventeenth century expedition and a myth of a samurai discoverer As part of gaining sovereign control the Japanese government made all island inhabitants register as Japanese subjects of the national family register The islanders were not literate in Japanese and had little experience of Japanese culture and limited knowledge of Japanese society but by 1881 all were forced or coerced into becoming Japanese subjects By the 1930s the islands were embroiled in the Pacific War All inhabitants were evacuated to the Japanese mainland until 1946 when only the descendants of the original settlers were allowed to return In the postwar period the islands fell under U S Navy administration until they were reverted to full Japanese sovereignty in 1968 Many descendants of these original settlers still live on the islands with family names such as Washington Gonzales Gilley Savory and Webb This book explores the social and cultural history of these islands and its inhabitants and provides a critical approach to understanding the many complex narratives that make up the Bonin story
