Robert Rodgers, PhD, 2014-04-10 Do you want to see a dramatic increase in sales of your books Have you noticed many people these days are reading books on their phones It is high time to convert your books to epub The epub format is necessary for your books to be read on smart phones and tablets Paperback books and Ebooks downloads to computers are not formatted to fit on the small screen space of phones When I realized that sales of my books had plateaued I began to notice that more people were reading book on their phones than on their computers The people on the front cover are holding books in their hands but reading a book on their phone When I converted my books to epub my sales skyrocketed It took me eight weeks of internet searches and failed efforts to learn how to convert my books to epub This step by step guide shows you how precisely how to complete conversion of an existing book to epub format in two hours or less This guide is written for people like myself who are not programmers and care less about the nuances of programming Follow the steps and you will save weeks of frustration Convert your book to epub and celebrate an increase in sales

Website Optimization
Andrew B. King, 2008-07-08 Remember when an optimized website was one that merely didn't take all day to appear Times have changed Today website optimization can spell the difference between enterprise success and failure and it takes a lot more know how to achieve success This book is a comprehensive guide to the tips techniques secrets standards and methods of website optimization From increasing site traffic to maximizing leads from revving up responsiveness to increasing navigability from prospect retention to closing more sales the world of 21st century website optimization is explored exemplified and explained Website Optimization combines the disciplines of online marketing and site performance tuning to

attain the competitive advantage necessary on today's Web. You'll learn how to improve your online marketing with effective paid and natural search engine visibility strategies, strengthened lead creation and conversion to sales methods, and gold standard ad copywriting guidelines. Plus, your increased site speed, reduced download footprint, improved reliability, and improved navigability will work synergistically with those marketing methods to optimize your site's total effectiveness. In this book for business and IT managers, author Andrew King, president of Website Optimization LLC, has assembled experts in several key specialties to teach you Search engine optimization, addressing best and worst practices to improve search engine visibility, including step-by-step keyword optimization guidelines, category and tag cloud creation, and guerilla PR techniques to boost inbound links and improve rankings. Pay per click optimization, including ad copywriting guidelines, setting profit-driven goals, calculating and optimizing bids, landing page optimization, and campaign management tips. Optimizing conversion rates, increasing leads with site landing page guidelines, such as benefit-oriented copy, credibility-based design, value hierarchies, and tips on creating unique selling propositions and slogans. Web performance tuning, optimizing ways to use XHTML, CSS, and Ajax to increase speed, reduce your download footprint, and increase reliability. Advanced tuning, including client-side techniques, such as on-demand content, progressive enhancement, and inline images to save HTTP requests. Plus, server-side tips include improving parallelism, using cache control, browser sniffing, HTTP compression, and URL rewriting to remap links and preserve traffic. Web metrics, illustrating the best metrics and tools to gather details about visitors and measure web conversion and success rates. Covering both search marketing metrics and web performance measures, including Pathloss and waterfall graphs. Website Optimization not only provides you with a strategy for success, it also offers specific techniques for you and your staff to follow. A profitable website needs to be well designed, current, highly responsive, and optimally persuasive if you're to attract prospects, convert them to buyers, and get them to come back for more. This book describes precisely what you need to accomplish to achieve all of those goals.
