HSC Golden Guide to English Wafa Khan,2017-02-05 HSC Golden Guide to English Advanced is a textbook designed to teach students how to craft Band 6 level responses in English The textbook is modelled on the highly successful educational method of example based learning Each piece of guidance provided in the textbook is supported by Band 6 examples using prescribed texts from the 2018 Year 12 Advanced English syllabus so that students may see and learn for themselves how to improve their writing The strategic philosophy of the textbook allows students to independently master HSC English without having to rely on tutoring or copious amounts of memorisation The 250 pages textbooks are divided into three sections Practical Skills including guides to essay preparation essay writing adapting to exam questions writing in different formats such as speech and supporting workbook exercises Discovery including syllabus deconstruction and clarification creative writing responding to short answer questions 2018 Discovery texts adapting to Discovery exam questions and supporting workbook exercises Modules A B C including syllabus deconstruction and clarification 2018 Modules texts adapting to Modules exam questions and supporting workbook exercises Poetry and Pedagogy across the Lifespan Sandra Lee

Kleppe,Angela Sorby,2018-10-08 This book explores poetry and pedagogy in practice across the lifespan Poetry is directly linked to improved literacy creativity personal development emotional intelligence complex analytical thinking and social interaction all skills that are crucial in contemporary educational systems However a narrow focus on STEM subjects at the expense of the humanities has led educators to deprioritize poetry and to overlook its interdisciplinary multi modal potential The editors and contributors argue that poetry is not a luxury but a way to stimulate linguistic experiences that are formally rich and cognitively challenging To learn through poetry is not just to access information differently but also to forge new and different connections that can serve as reflective tools for lifelong learning This interdisciplinary book will be of value to teachers and students of poetry as well as scholars interested in literacy across the disciplines **International**

Perspectives on the Teaching of Literature in Schools Andrew Goodwyn,Cal Durrant,Louann Reid,Lisa

Scherff,2017-08-31 Literature teaching remains central to the teaching of English around the world This edited text brings together expert global figures under the banner of the International Federation for the Teaching of English IFTE The book captures a state of the art snapshot of leading trends in current literature teaching as well as detailing predicted trends for the future The expert scholar and leading teacher contributors coming from a wide range of countries with fascinatingly diverse approaches to literature teaching cover a range of central and fundamental topics literature and diversity digital literatures pedagogy and reader response mother tongues the business of reading publishers adolescent fiction and censorship assessing responses to literature the changing definitions of literature and multimodal texts The collection

reviews the consistently important place of literature in the education of young people and provides international evidence of its enduring value and contribution to education resisting the functionalist and narrowly nationalist perspectives of misguided government authorities International Perspectives on the Teaching of Literature in Schools will be of value to researchers PhD students literature scholars practitioners teacher educators teachers and all those in the extensive academic community interested in English and literacy around the world

Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults Michael Marokakis, 2022-07-29 Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults offers a comprehensive examination of Shakespearean adaptations written by Australian authors for children and Young Adults The 20 year period crossing the late twentieth and early twenty first centuries came to represent a diverse and productive era of adapting Shakespeare in Australian literature As an analysis of Australian and international marketplaces physical and imaginative spaces and the body as a site of meaning this book reveals how the texts are ideologically bound to and disseminate Shakespearean cultural capital in contemporary ways Combining current research in children s literature and Bourdieu s theory of cultural capital deepens the critical awareness of the status of Australian literature while illuminating a corpus of literature underrepresented by the pre existing concentration on adaptations from other parts of the world Of particular interest is how these adaptations merge Shakespearean worlds with the spaces inhabited by young people such as the classroom the stage the imagination and the gendered body The readership of this book would be academics researchers and students of children s literature studies and Shakespeare studies particularly those interested in Shakespearean cultural theory transnational adaptation and literary appropriation High school educators and pre service teachers would also find this book valuable as they look to broaden and strengthen their use of adaptations to engage students in Shakespeare studies
