Dickens on Screen John Glavin,2003-11-27 Television and film not libraries or scholarship have made Charles Dickens the most important unread novelist in English It is not merely that millions of people feel comfortable deploying the word Dickensian to describe their own and others lives but that many more people who have never read Dickens know what Dickensian means They know about Dickens because they have access to over a century of adaptations for the big and small screen Dickens on Screen includ ing an exhaustive filmography is an invaluable resource for students and scholars alike

Envisioning Asia Jeanette Roan,2010-05-07 Whereas some other scholars read selected films mainly to illustrate political arguments Roan never loses sight of the particularities of film as a distinctive cultural form and practice Her drive to see cinema as a mechanism of American orientalism results in not just a textual analysis of these films but also a history of their material production and distribution Josephine Lee University of Minnesota Envisioning Asia offers an exciting new contribution to our understandings of the historical developments of American Orientalism Jeannette Roan deftly situates changing cinematic

technologies within the context of U S imperial agendas in this richly nuanced analysis of shooting on location in Asia in early 20th century American cinema Wendy Kozol Oberlin College Through her vivid illustration of the role of American cinema in the material visual and ideological production of Asia Jeanette Roan takes the reader on a journey to Asia through a very different route from the virtual travel taken by the viewers of the films she discusses Mari Yoshihara University of Hawai i at Manoa The birth of cinema coincides with the beginnings of U S expansion overseas and the classic Hollywood era coincides with the rise of the United States as a global superpower In Envisioning Asia Jeanette Roan argues that throughout this period the cinema s function as a form of virtual travel coupled with its purported authenticity served to advance America s shifting interests in Asia Its ability to fulfill this imperial role depended however not only on the cinematic representations themselves but on the marketing of the films production histories and in particular their use of Asian locations Roan demonstrates this point in relation to a wide range of productions offering an engaging and useful survey of a largely neglected body of film Not only that by focusing on the material practices involved in shooting films on location that is the actual travels negotiations and labor of making a film she moves beyond formal analysis to produce a richly detailed history of American interests attitudes and cultural practices during the first half of the twentieth century Jeanette Roan is Adjunct Professor of Visual Studies at California College of the Arts and author of Exotic Explorations Travels to Asia and the Pacific in Early Cinema in Re collecting Early Asian America Essays in Cultural History 2002 Cover art Publicity still Tokyo File 212 Dorrell McGowan and Stuart McGowan 1951 The accompanying text reads Hundreds of spectators gather on the sidelines as technicians prepare to photograph a parade scene in Tokyo File 212 a Breakston McGowan Production filmed in Japan for RKO Radio distribution Courtesy of the Academy of Motion Picture Arts and Sciences
