Encounters With The Rich And Famous English Edition:

The Diaspora Encounter Francisco Cruz, 2023-01-03 As a historian of a different making Francisco seeks to capture the heart of his past and that of spirituality through lifetime memories from boyhood days in Shanghai and Macau to day dreams as a young man in Hong Kong from new family life in San Francisco as a naturalized citizen to rebirth of mind through a number of pilgrimages to Fatima Medjugorje and Moscow with his extended family Together with his spiritual partner and second wife of 30 years Terry he witnessed the crowning of the Blessed Virgin Mary at the Red Square in Moscow for the 75th Anniversary of the Fatima Apparition in Portugal As just two amongst one thousand plus of God's children from bishops to priests theologians brothers sisters youths and other laypersons that were there that day they joined together at the 1992 World Youth Congress in Moscow to share a very special message with the world about the need for change It was a message of WARNING as prophesized by the Blessed Virgin the Mother of God on Sunday the 13th of May in the year 1917 But more importantly it was also a call for love and spiritual renewal There has been no phenomenon like it ever before recorded but the miracle of the sun in Fatima continues to shine bright even at the darkest of times and is the hope behind this book Many of history's greatest thinkers have wrestled with the question of belief and non belief in God through their literary circles and often simply by the way they have lived their lives 1 Is there a God and 2 Why would He care about me Those are profound and universal questions considered in the first two books of this family story and re visited here in this third encounter in trilogy Though it might seem unlikely that any new arguments can be raised from either side between Science and Theology on Christendom ultimately each reader needs to ask through his or her own voice of Faith this question of GOD and His existence It is at that spiritual juncture of question and answer that mankind may decide which path to follow As seminarian students Terry and Francis took three years of theology at St Patrick Seminary University in Menlo Park under the Diaconate Formation Program with the hopes of Francisco becoming a deacon with the Class of 2006 Though God had other plans for Francisco both husband and wife humbly served at the Cathedral of St Mary of the Assumption in San Francisco and at St Bruno Church of the San Francisco Archdiocese for three decades This soulful dialogue is for anyone seeking out answers about Judeo Christian ethics and the belief that GOD reveals all in time

Women Who Seize the Moment Angela Priestley, 2014-03-01 Great careers are improvised There are women who wait and women who don't Author Angela Priestley once fell into the former camp I waited for things to happen to me rather than making them happen myself It wasn't a matter of being lazy or unambitious but rather of simply believing the success I wanted and the things I desired from my career would simply arrive for me *Women who Seize the Moment* addresses the common issues that many women face in their careers In our society it is not uncommon for people to dislike their job but still work extremely hard There is an assumption that we will get that raise eventually we will get promoted eventually I will get my dream job eventually *Women who Seize the Moment* reveals 11 steps women should take to stop waiting for these turning points and make them happen Coming up with excuses is easy waiting to finish a diploma waiting for the perfect job opening waiting until you're 25 30 35 waiting to get that industry experience However embracing all opportunities is what will turn your career around Turning points are so important in shaping a woman's career Women still have so many challenges to overcome in order to achieve the success they want you don't want to also be your own enemy Society has certainly come a long way however managing the competing interests of caring responsibilities with paid work conscious and unconscious bias in the office and battling a male based hierarchy of leadership style still exists in many industries In *Women who Seize the Moment* Angela shares stories from women who've made the most of career turning points those turning points they have created themselves and those that were beyond their control They're the women who didn't wait to get the career they wanted and still don't wait to get the success they desire
