- ii. I chose this question because i lost all the marks for this question because i did not follow instructions.
- iii. Marker's comments "The question requires you to cite examples from the text."

i agree with the comments because without citing examples from the paragraph, my answer becomes general. In order to clearly show the marker that the question i was supposed to cite from the paragraph. However i think i should have been rewarded some marks for the effort i showed since the question did not explicitly specify.
