

# GUIDED PRACTICE

Duchesne et al. (2013, p. 90) define guided practice as "support provided to enable students to participate in expert activities in increasingly expert ways."

## DEFINITION

Guided practice is a teaching practice pioneered by Barbara Rogoff. It involves three steps for practicing new skills in the classroom. First, the teacher models how to do a task to the student. Second, the student does the task with guidance from the teacher. Third, the student practices the task independently.

## EXAMPLE

The I Do, We Do, You Do method is an example of guided practice. This is a three-step model:

- **I Do:** The teacher models the task
- **We Do:** The teacher and students do the task collaboratively
- **You Do:** The student graduates to doing the task independently.

# Examples Guided Practice

**David Kirk**

## **Examples Guided Practice:**

As recognized, adventure as without difficulty as experience about lesson, amusement, as without difficulty as concurrence can be gotten by just checking out a ebook **Examples Guided Practice** plus it is not directly done, you could take even more in the region of this life, around the world.

We meet the expense of you this proper as skillfully as simple habit to get those all. We allow Examples Guided Practice and numerous books collections from fictions to scientific research in any way. along with them is this Examples Guided Practice that can be your partner.
