ACAPULCO — Los obispos que conforman la Conferencia Episcopal de Guerrero, Michoacán y el Estado de México expresaron la violencia que se vive en Tierra Caliente y aseguran que eso los obliga a condenar cualquier forma de violencia.

“La situación que sigue imperando en los estados de Guerrero, Michoacán y el Estado de México está generando empobrecimiento cultural, económico, político y ético”, afirmaron los obispos.

Para los jerarcas religiosos, al vivir con violencia “homocida, la impunidad que se vive es un secuestro colectivo”.

Ayer mismo, lanzaron un llamado a las autoridades para que tomen acciones para acabar con la violencia y con la inseguridad.

Los firmantes del comunicado son el arzobispo de Acapulco, Lorenzo González, el obispo de Chiapas, José de Jesús González, el obispo de la diócesis de Atlacomulco, José Ocasio, y el obispo de la diócesis de Tlaxiaco, Gregorio Sosa.

Rural Protest and the Making of Democracy in Mexico, 1968-2000 Dolores Trevizo, 2015-11-05 When the PRI fell from power in the elections of 2000 scholars looked for an explanation Some focused on international pressures while others pointed to recent electoral reforms In contrast Dolores Trevizo argues that a more complete explanation takes much earlier democratizing changes in civil society into account Her book explores how largely rural protest movements laid the groundwork for liberalization of the electoral arena and the consolidation of support for two opposition parties the PAN on the right and the PRD on the left that eventually mounted a serious challenge to the PRI She shows how youth radicalized by the 1968 showdown between the state and students in Mexico City joined forces with peasant militants in nonviolent rural protest to help bring about needed reform in the political system In response to this political effervescence in the countryside agribusinessmen organized in peak associations that functioned like a radical social movement Their countermovement formulated the ideology of neoliberalism and they were ultimately successful in mobilizing support for the PAN Together social movements and the opposition parties nurtured by them contributed to Mexico's transformation from a one party state into a real electoral democracy nearly a hundred years after the Revolution

The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873.

The History of Journalism in Latin America Rick Rockwell, 2025-03-24 From the deserts of northern Mexico to as far south as the Rio Plata in Argentina, this book traces the history of journalism in Latin America from its earliest roots and examines how it relates to the modern importance of media in the twenty-first century. By exploring mestizo roots, The History of Journalism in Latin America examines Indigenous foundations, pre-colonial methods, and post-colonial systems of communication to show how earlier publications became instrumental to regional nineteenth-century independence movements throughout Latin America. Although the history of communication in the region is characterized by the control and censorship of empires, be they Indigenous or European, this study argues that modern journalism at its core is the story of crusading for freedom and independence. Through a country-by-country approach, this book explores key themes such as family media empires in Mexico, newspaper competition in Brazil, the dissemination of political agendas in Colombia, *El Espectador* and conservative media outlets in Argentina and Chile. It demonstrates the varied roles of media businesses, societal forces, and institutions of governmental change. This volume is the perfect introduction to the history of journalism and media in Latin America for students.

Seeking Identity Nancy Mae Antrim, 2021-03-04 Seeking Identity: Language in Society looks at how we define and create identity both as individuals and as a society through language. Our language choices reflect not only how we view ourselves but how we are viewed by society. An individual's identity is reflected in various language-constructed identities: ethnicity, gender, and cross-cultural counter-cultural. In turn, these identities are projected by society on the individual ethnic group by the language choices society makes in describing and addressing these individuals. In the first section, Language and Identity, an ethnolinguistic approach is used to address the areas of language, identity, loyalty, gender, and ethnic pride. Section two, Language and Advertising, looks at how society in turn uses language to relate to different groups by appealing to ethnic pride, language, identity, and the power/prestige that using a particular language variety entails. Section three, Language and the Media, explores how the media contributes to our construction of identity. Section four, Language and Discourse, shows how written discourse can appropriately construct and parody identity.

Las Soldaderas Elena Poniatowska, 2014-01-01 The photographs of Las Soldaderas and Elena Poniatowska's remarkable commentary rescue the women of the Mexican Revolution from the dust and oblivion of history. These are the Adelitas and Valentinas celebrated in famous corridos mexicanos but whose destiny was much more profound and tragic than the idealistic words of ballads. The photographs remind Poniatowska of the trail of women warriors that begins with the Spanish conquest and continues to Mexico's violent revolution. These women are valiant, furious, loyal, maternal, and hardworking; they wear a mask that is part immaculate virgin, part mother and wife, and part

savage warrior and they are joined together in the cruel hymn of blood and death from which they built their own history of the Revolution The photographs are culled from the vast Casasola Collection in the Fototeca Nacional of the National Institute of Anthropology and History in Pachuca Hidalgo Mexico [Official Congressional Directory](#) United States.
