Executive Summary Of The Bible:

What's the Bible All About Prince James, Biodun Adepetu, 2018-12-18 No doubt we're in a fast paced world with a tendency for information overload and limited time that one would wish he/she could load more into our 24 hour day to achieve all one wishes during this period. Alas that's not to be. Time is a critical factor in our present day life. We've just not got enough of it. That's the driving vision behind this book to make the key lessons of the Bible available to all who don't have sufficient time in a form that could be read and understood within a 60 minute period either at a go or in a cumulative fashion on the go as they commute to and from the work place. Hold up I could almost hear you say. How could one learn the Bible in a 60 minute period. Such a book doesn't exist. Well what you're looking at is such a book and it contains the following central messages: Don't do wrong, do the right thing. Do to others what you'd like others to do to you. Love one, love all, love your neighbours as yourself. There're consequences for every evil thing you do. Is that all? You're tempted to ask and I say no. To learn more start reading now.
