Experiencing The Lifespan 2nd Edition:

Experiencing the Lifespan Janet Belsky, 2006-12-22 Janet Belsky is an innovative and accomplished teacher an engaging and perceptive writer as well as a practicing psychologist who has worked in many settings from inner city hospitals to nursing homes Drawing on the sensibilities that have defined her professional life Janet Belsky has produced an exploration of development across the lifespan unlike any other Person centered yet scientifically sound practice oriented yet rich in current and classic research Belsky's *Experiencing the Lifespan* offers students an experience learning about life that they will take to heart And at around just 550 pages it is an experience that fits comfortably within a single term

Experiencing the Lifespan Janet Belsky, 2012-11-02 Winner of the Textbook Excellence Award from the Text and Academic Authors Association Janet Belsky's *Experiencing the Lifespan* always reflects a scientist's understanding of key research a psychologist's understanding of people and a teacher's understanding of students This extensively updated new edition features significant new findings a broad based global perspective and enhanced media offerings With all of this the book itself remains at just the right length and level of coverage to fit comfortably in a single term course

The Romantic Lives of Emerging Adults Varda Konstam, 2019-01-21 The romantic lives of emerging adults are often baffling and contradictory While they prize committed and authentic relationships they appear to be reluctant participants They prefer to foster ambiguity in their romantic relationships even as they value honesty and clarity There is at once a valuing of long term as well as a decentering of romantic relationships Although our current understanding is incomplete this text grapples with these perplexing questions In attempting to understand emerging adults and their romantic lives researchers must consider the challenging economic conditions in which today's emerging adults find themselves With an emphasis on commitment and sacrifice and their centrality to one's readiness for a long term relationship this book reviews the main milestones in transitioning from an I identity to a we identity and discusses the concepts of choice and risk Further the book examines structures such as asymmetrically committed relationships cohabitation and marriage through the lens of commitment risk and risk avoidance Probing extensively into the romantic lives of emerging adults their attitudes values and expectations this text examines some of the developmental and contextual realities against which romantic attachment must be viewed Critical topics such as casual and sexual experiences and relationships integration of work and love breakups marriage going solo and social media and its influences are considered The commonality and the individuality of the emerging adults presented throughout this text contribute to a rich understanding of emerging adults and how they live and love

Experiencing Philosophy - Second Edition Anthony Falikowski, Susan Mills, 2022-11-22 *Experiencing Philosophy* begins with the assumption that philosophy is not merely something you know but also something you experience and participate in The book presents philosophical theories and ideas with reference to their practical relevance to the lives of student readers To this end a number of engaging features and inserts are provided Original Sources Numerous primary readings are included

introducing students directly to the philosophical work of diverse thinkers ranging from Plato to Martin Luther King Jr Each reading is thoughtfully excerpted and is followed by reflective questions Philosopher Profiles Abstract ideas are connected to the lives of real historical figures through fascinating biographical profiles Take It Personally To illustrate how philosophy can be useful and relevant each chapter begins by placing the material in a personal context Know Thyself Diagnostics This book takes seriously as did Socrates the Delphic Oracle's dictum to know thyself Students are given self diagnostics to explore their own philosophical values ideals and beliefs Philosophers in Action Philosophy is something you do not just something you know Prompts are provided throughout the text inviting students to conduct thought experiments analyze concepts and discuss and debate controversial points Thinking about Your Thinking These metacognitive prompts require students to engage in higher order thinking not only about the presented readings and ideas but also with respect to their own values assumptions and beliefs Plus Built in study guides diagrams famous philosophical quotations comics feature boxes and more
