Biology and the Exploration of Mars National Research Council (U.S.). Space Science Board, 1966

Grading NASA's Solar System Exploration Program National Research Council, Division on Engineering and Physical Sciences, Space Studies Board, Committee on Assessing the Solar System Exploration Program, 2008-04-25. The NASA Authorization Act of 2005 directed the agency to ask the NRC to assess the performance of each division in the NASA Science directorate at five year intervals. In this connection, NASA requested the NRC to review the progress the Planetary Exploration Division has made in implementing recommendations from previous relevant NRC studies. This book provides an assessment of NASA's progress in fulfilling those recommendations, including an evaluation of how well it is doing and of current trends. The book covers key science questions, flight missions, Mars exploration research and analysis, and enabling technologies. Recommendations are provided for those areas in particular need of improvement.
