There were visions that I saw dreams that were true. The book speaks about the light that no one can see but me It tells you about people that God put in my life from all walks of life for one reason or another The story tells about the times when the Lord showed me in Sunday school lessons what needed to be written for people to read and scriptures that the Holy Spirit had me to write what needed to be written for this book I explained how God told me I was going to go through a divorce and what to do Also how I had surgery and came through that with the help of the Lord You will read about the times I prophesized about my family members deaths How there were all taken from me one by one and how now I am left alone You will learn about the times when the dead members of the family and the Lord spoke to me You will see how I stayed connected to God no matter what I went through and I never stopped praying or studying my Bible faithfully You will read that no matter what I went through I was not afraid because I knew that God was with me I had to go through all of these in each story so you can see what God will take you through when he needs for you to be a servant for him here on earth how he warns you about what may happen Is it easy No It is very hard Don t think for a minute I didn t want to throw in the towel because I did But I owe God my life I really do So I do whatever the Holy Spirit leads me to do The Holy Spirit told me to write until he tells me to stop So on June 21 2017 I finished my book but had to wait on the Holy Spirit to guide me when to send it to the publishing company and which one He did The Expositor and Current Anecdotes, 1909 They Walked with God Gena Duncan, 2016-03-09 What does it mean to walk with God Enoch knew In fact he knew so well that one day he walked right into Gods eternal home without dying Now that was a walk A life walk involves all the activities that intersect with our lives every day If we walked like Enoch or like righteous Noah what would those intersections of appointments meetings meals sport games telephone conversations text messages meetings with friends and discussions with family members look like All those giants of faith listed in Hebrews 11 walked with God and are examples to us of walking in faith with God Noah believed God would send a flood and built an ark even though he had never seen rain Joshua and the Israelites Deborah and Barak Jephthah and Gideon had faith for miraculous victories in battle Rahab choose to leave her life of prostitution married and became part of the lineage of Christ Samson asked for one last triumph of strength and fulfilled Gods plan for his life The author unmasks the lives of eight less known giants of faith and reveals their triumphant acts of faith and the head hanging weaker moments not mentioned in Hebrews 11 What can these unbelievable stories mean to us TPT The Book of Philippians Brian Simmons, 2022-01-04 The book of Philippians flows with joy Open these pages and see inspires gratitude and imparts central doctrines of faith Written by the apostle Paul while held captive in a prison cell his letter to the Philippians celebrates victory unity and harmony teaching us how to live together in the body of Christ This 12

Bradley, 2020-10-21 Beginning with a conversation prompted by African American scholars like Dr Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown among others as

well as other systemic challenges that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural issues that must be addressed within black communities there are opportunities for social change based on God's vision for human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book Keeping Your Head Up With contributions from Vincent Bacote Bruce Fields Rev Howard Brown Ralph C Watkins Rev Eric M Mason Rev Lance Lewis Rev Anthony Carter Ken Jones Natalie Haslem Rev Ken Jones Rihana Mason Yvonne RB Banks The Harvest HandbookTM of Bible Lands Steven Collins, Joseph M. Roeger, 2022-07-20 What does God require of you Many Christians are asking this question and looking for an answer that is biblically founded You can find the answer in this book In her previous book God Still Speaks Deborah Roeger outlined a sound basis for hearing from God discerning His voice and following Him more closely as we develop the habit of listening In this first volume of her series Lost in Translation she studies biblical obedience Rather than speaking of obedience as a list of duties she presents it as a uniquely powerful way to live This book is rooted in the stories of Scripture especially of the Old Testament From those roots the study unfolds a practical life changing approach to discipleship based on finding God s will and joyfully joining Him Each chapter provides a key verse and a number of scriptural examples to follow as we seek to become more effective disciples We do this not to earn God's favor but to align with His will and to enjoy a life of peace and communion with the God who loves us The book contains well researched word studies which link the lessons with specific key words in Scripture Each word study provides

helpful insight into how that word is used biblically and how it informs our discipleship This book is intended for group study but can also be read and studied individually It is a resource for Christian education classes wanting to dig deeper into God s Word presented in the Bible TPT The Book of Mark Brian Simmons, 2023-01-03 The book of Mark is an explosive account of Jesus miraculous life Mark highlights the many miracles of Jesus illustrating the beautiful union of divine power and overwhelming mercy as he healed taught and saved the lost This gospel reveals the Suffering Servant and transforms us into his fervent followers This 12 lesson study guide on the book of Mark provides a unique and welcoming opportunity to immerse yourself in God's precious Word as expressed in The Passion Translation Begin your journey with a thorough introduction that details the authorship of Mark date of composition first recipients setting purpose central message and key themes Each lesson then walks you through a portion from the book and includes features such as notable verses historical and cultural background information definitions of words and language cross references to other books of the Bible maps and character portraits of figures from the Bible and church history Enrich your biblical understanding of the book of Mark experience God's love for you and share his heart with others Creation Stories in Dialogue: The Bible, Science, and Folk Traditions Jan G. van der Watt, R. Mike O'Dowd, 2024-10-16 How do you know if you re neglecting the great salvation you have in Jesus Christ This great salvation is the salvation believers have now and eternally by grace through faith in Christ and it is great both now and eternally and can be neglected Moreover such neglect can lead to dire consequences In fact the Book of Hebrews highlights how neglecting your salvation can impact you in the here and now as well as in the hereafter Pastor Mike O Dowd examines the chapters of Hebrews in this book so you can discover the pitfalls of neglect and take steps to ensure the fullness of your salvation The author also answers questions such as How can you be saved to the uttermost What does it mean to have genuine faith How should you live your daily life Why is neglect so dangerous especially in your life in Christ Ignite your faith and safeguard the most precious treasure in your Christian life with the wisdom in Are We Neglecting a Great Salvation Defying **Deception** Jonathan K. Corrado, 2024-02-29 Comprehensive training and well established tactics are the trademark qualities of a solid and robust military training program designed to win wars As a result well trained soldiers can think and act soundly while engaged in warfare Like soldiers Christians must similarly train to become prepared to make biblically sound choices while engaged in spiritual warfare specifically deception Deception as clearly conveyed in the Bible is Satan s weapon of choice therefore if understood properly can be thwarted effectively Defying Deception A Field Guide to Understanding and Countering Satan's Strategy of Deception is a book for those who want to raise their awareness of the enemy's strategies and to mature their spiritual walk by offsetting the enemy's deceptive methods with practical means That said this field guide establishes a parallel between Satan's deceptive tactics and military Psychological Operations PSYOP operations to convey false information to influence emotions motives and reasoning because both seek to lead people into falsehood to influence decision making in a destructive way This field guide discusses Satan's deceptive strategy within the context of PSYOP Armed with this information practical defensive strategies are developed using well established effective

military tactics to assist readers in overcoming spiritual deception A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e q Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Rebels with Insufficient Cause** J. M. Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in Rebels with Insufficient Cause proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God's designs for humanity will experience chaos but every person and social group that submits to God's designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units

Biblical Succession Planning Joshua D. Henson,2025-01-25 This book focuses on the contemporary applications of effective and ineffective leader succession narratives for contemporary organizational leadership From Moses and Joshua to Paul and Timothy the Old and New Testaments are replete with narratives described the leader transitions of prophets judges kings apostles and pastors Leadership succession is a complex process in that each situation is contextually unique This book explores 10 narratives in the Bible that demonstrate the contextual complexities of leader succession and how

leaders navigated it for the good and bad Each chapter focuses on a different example of leader succession six Old Testament narratives three New Testament narratives and one chapter that takes a more holistic Scriptural approach The chapters provide practical organizational leadership principles that can be applied to contemporary succession planning Overall this work contributes to an emerging field of succession planning and informs organizational leaders how to lead from a Biblical perspective **Paul and the Language of Faith** Nijay K. Gupta, 2020-02-04 A dynamic reading of Paul s faith language outlining its subtle nuances as belief trust and faithfulness Faith language permeates the letters of Paul Yet its exact meaning is not always clear Many today reflecting centuries of interpretation consider belief in Jesus to be a passive act In this important book Nijay Gupta challenges common assumptions in the interpretation of Paul and calls for a reexamination of Paul s faith language Gupta argues that Paul s faith language resonates with a Jewish understanding of covenant involving goodwill trust and expectation Paul s understanding of faith involves the transformation of one s perception of God and the world through Christ relational dependence on Christ as well as active loyalty to Christ Pastors and scholars alike will benefit from this close examination of Paul s understanding and use of faith language For Gupta Paul s understanding involves a divine human relationship centered on Christ that believes trusts and obeys
