Facing Codependence Pia Mellody, Andrea Wells Miller, J. Keith Miller, 2011-11-22 A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction In this fresh new look at codependence Pia Mellody traces the origins of this illness back to childhood describing a whole range of emotional spiritual intellectual physical and sexual abuses Because of these earlier experiences codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence Central to Mellody's concept is the idea of the precious child that needs healing within each adult She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self help processes Designed to be used with her new workbook for codependents *Breaking Free* this is a powerful tool for understanding the nature of codependence *Breaking Free* Pia Mellody, 1989-12-13 In her pioneering *Facing Codependence* Pia Mellody traced the origins of codependence back to childhood and a wide range of emotional spiritual intellectual physical and sexual abuses Now in this innovative new workbook she presents a step by step journal keeping method for moving toward recovery from codependence Based on such concepts as the precious child and the five core symptoms of codependence along with the Twelve Step process of recovery used by Codependents Anonymous *Breaking Free* provides strategies and insights for attacking the fundamental problem in codependence the lack of dependence on self In a three part approach to recovery Mellody first shows recovering codependents how to move beyond denial of their childhood history of abuse She then offers techniques to identify concrete ways in which the symptoms of codependence operate in their lives Finally Mellody guides users through the process of identifying and recording specific instances of improvement in their lives as an aid to greater self awareness and further recovery *Facing Codependence* Pia Mellody, Andrea Wells Miller, Keith Miller, 1989 Discusses the symptoms of codependence explains how child abuse and dysfunctional family life can cause the condition and suggests a path toward recovery *Summary of Pia Mellody's Facing Codependence* Everest Media, 2022-06-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Those who are codependent are often in an emotional state marked by anxiety and feelings of being irrational dysfunctional and or crazy They often find themselves overreacting to

everyday happenings experiencing feelings far more excessive than appropriate for a given situation 2 The emotional factor of codependence can also be triggered by the disappointment of interviewing for a job and not being hired the sadness of a good friend moving to another town or the anger of a neighbor's dog messing up the flower bed 3 The families of alcoholics and other chemically dependent people often noticed that their emotions were intensified in their relationships with the alcoholic or addict but they were unable to express them in a healthy way because of a compulsion to please and care for the addicted person 4 The disease of codependence is difficult to see from the outside as its sufferers wear a mask of adequacy and success designed to win the all important approval of others But these slaves of powerful seemingly groundless compulsive feelings are doomed to be on an endless treadmill of personal failure and intensified experiences of shame pain fear and repressed anger

Morris delivers a practical and inspiring plan for how men can achieve exponentially greater effectiveness fulfillment creativity and influence for good Breaking Free Pia Mellody,1989 Leaving Home--Finding Home Jessie C. Mejias,2010-02-26 Leaving Home Finding Home My Journey from Shame to Sonship through Journaling is the first book of its kind showing how God Himself brought inner healing by speaking into one woman s life In it author Jessie Mejias shares how God counsels and heals her through journaling The central theme of Leaving Home Finding Home is healing through intimacy with God an intimacy that develops as she writes out her conversations with Him The author devotes several chapters to her background and childhood but the heart of the book is Jessie s actual journal About her decision to share her journal verbatim she says When the Lord first instructed me to write this book my natural instinct was to transform the ramblings of my mind and heart into a nice neat package that the reader could easily follow However as I prayed about His instructions I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself Jessie Mejias grew up in what she would have described as an Ozzie and Harriet kind of home loving parents close siblings good schools and a religion that dictated solid values What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns As a young adult Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly Subsequently her family scattered and she unwittingly married an abusive alcoholic man Her disastrous marriage precipitated her decision to give her life to Christ But despite her newfound faith at age 27 she found herself a single mother of two young sons In the ensuing years Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling Miraculously she and her husband were remarried after seven years of separation and divorce She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children However when she decided to return to school to earn a degree in Christian counseling God began to show her that she was still suffering from the traumas of her childhood and that shame was an integral part of her life that He wanted to remove This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book Leaving Home Finding Home chronicles that journey from shame to sonship through one on one dialogue with God Shame is a universal problem that is sometimes hard to pinpoint We describe ourselves as embarrassed shy fearful or hesitant but we never actually understand that the source of these emotions is shame Shame is a terrible feeling that we are a mistake that somehow we were never supposed to exist The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image Jessie vividly describes her feelings of shame It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block at first for short times then for longer and longer periods of time but inevitably I would end up at some point back in this dump The sight of it would make me sick

but I did not know how to leave it completely behind God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life reaching deep into her heart to show her what was hidden there **Reclaim & Recover** Tara Blair Ball,2022-12-13 Find Emotional Safety and Learn to Have Healthier Happier Relationships Certified relationship coach Tara Blair Ball takes away the overwhelming feeling that can come with answering the question What do I do now after a tough breakup by dividing the healing process into seven easy steps that you can take at your own pace Let her guide you with her personal and professional experience and inspiring journal prompts specially designed to help you recover from toxic relationships and set you up to make healthier decisions Tara s insightful journal questions will help you to work through the pain trauma and uncertainty your relationship has left you with and gently usher you toward reclaiming your sense of self Belonging Dennis Linn,Sheila Fabricant Linn,Matthew Linn,1993 From their own recovery the authors discovered that the best way to change ourselves is to change our image of God Recovery is then rooted in finding a healthier more authentic way of belonging Pointing the way to new depths of hope and personal resources of inner healing the Linns honest generous and intimate sharing is at times painful but always liberating
