Faith Running With Alphas Book 5:

Her Desired Alphas Jessica Hall, 2022-12-19 Marabella has lived with a curse her entire life Born as a Gemini twin she was considered a bad omen Always living in the shadow of her twin Marabella is believed to be tainted by the mark of death Everyone in her pack fears her After the rejection of her mate she learns that there are more secrets out there than just hers Kyan and his best friend Jonah have a dark secret of their own One that pulls Marabella between the two men All of that changes when her darkness turns out not to be a curse but a blessing When she finally gives in and confronts her demons she learns they were never really hers at all and that the curse that follows her might just be the key to setting them all free Everyone has skeletons in their closet You just need to choose which ones you can live with which ones will haunt you a little less

Upcoming Revenge: A Rejected Mate Werewolf Roamance (Slave Of The Alpha King Book 5 The End) Blue Heart, 2022-11-18 Malia is once a Princess and now she is a slave Malia has been an orphan since she was ten years old due to the attack of the enemy pack that killed all their companions including her parents Since she was the only one left in their clan the enemy pack took her and she lived with them in the Shadow Pack From then on she was made a slave enslaved and made their assistant She was treated like garbage and treated like an animal Unfortunately the Moon Goddess gives her a mate which is the ruthless and heartless Alpha of that pack Even though Alpha Fenris is attracted to her beauty he prevents himself from fall in love with her because she is only a slave He can't accept the fact this dirty slave is his mate that's why he rejected her What is she gonna do now Is not enough that she feels misery and pain in life and the Moon Goddess even gave her the ruthless Alpha to be his mate How will she escape from this hell prison Will she still find her true love

Books Out Loud, 2007 Atheists Bruce E. Hunsberger, 2010-03-05 According to polls most Americans believe in God But disbelief is spreading After reviewing the mounting evidence that organized religion is declining in many countries this accessible book provides the first scientific study of active atheists The authors surveyed nearly 300 members of atheist organizations in the United States Besides soliciting these nonbelievers level of education political leanings etc the researchers sought to understand how each respondent had become an atheist Had they ever believed in God or had they never Had they paid a price for their atheism Three chapters describe the levels of dogmatism zealotry and religious prejudice found among the active atheists These results compared with others obtained from more ordinary samples of atheists and strong fundamentalists often surprised the authors Uniquely the book features a chapter in which the atheists give their reaction to the study and its often surprising findings Another chapter breaks down the answers a large Canadian sample gave to the measures used in the American study according to how religious the respondent was from atheist to agnostic to four different levels of theistic intensity A clear finding emerged the more religious a group was the more their personalities prejudices and beliefs separated them from everyone else
