Forgiveness A Commentary On Philemon:

Forgiveness Jacob Abshire, 2011-02-01 Despite its small size the book of Philemon is quite colossal theologically speaking It instructs us on forgiveness and does so in a unique and practical way And while it does this it gently teaches on matters of equality fellowship edification and more Only 25 verses long it packs 25 chapters worth of divine guidance for us all In this book we will unpack these divinities so that we can think and behave more like our Lord who is a forgiving God Ex 34 6 7 Technically this book is called a commentary on Philemon however it has been written in a way that is unlike typical commentaries which often read like textbooks focus on individual passages and have a choppy flow The flow of this book is fluid transitioning from point to point like topical books do However in this book all of the points are posited by scripture This is a commentary for those who don't like commentaries **Themelios, Volume 48, Issue 1** Brian Tabb, 2023-05-09
