Introduction to Personal Finance John E. Grable,Lance Palmer,2022-02-08 Every financial decision we make impacts our lives Introduction to Personal Finance Beginning Your Financial Journey 2e is designed to help students avoid early financial mistakes and provide the tools needed to secure a strong foundation for the future Using engaging visuals and a modular approach instructors can easily customize their course to topics that matter most to their students This course empowers students to define their personal values and make smart financial decisions that help them achieve their goals Mammon's Ecology Stan Goff,2018-04-26 Proverbs 22 22 enjoins the reader Don t take advantage of the poor just because you can

Mammon's Ecology is a systematic investigation into the mysterious nature of modern money which confronts us with the perplexing fact that in the global economy as it is we take advantage of the poor whether we want to or not We destroy natural systems whether we want to or not Ched Myers describes Mammon's Ecology as a workbook about the secret life of money Where Prather and others have shown that money is one of the perverse Powers described in Ephesians 6 Mammon's Ecology details precisely how money exercises this peculiar power and outlines suggestions for Christians who feel trapped in this complicity not just as individuals but as church Mammon's Ecology is not a book about economics which the author calls the world's best antidote to insomnia but rather a book about the deep ecology of post modern power and injustice Read individually or as a group Mammon's Ecology will leave you unable to think about money the same way again
