2014 and 2015 there will be a phenomenon in the skies of four blood moons falling during Jewish feasts This has only happened three times in recorded history 1493 94 1949 50 and 1967 68 Each time these dates have had extraordinary significance for the Israelites From the discovery of the New World to the creation of modern day Israel these years of the four blood moons have truly been turning points in history Bible prophecy describes the moon being darkened and turned to blood What is the significance of these signs in the skies What will the future bring Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live **Three Heavens** John Hagee,2015-05-12 As sales of Hagee s current New York Times bestseller Four Blood Moons continue to soar hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world heaven itself Hagee s national media power assures another mega bestseller Existential Threats Lisa Vox,2017-07-03 In Existential Threats Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination The Supper Ronald P. Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and

YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Rethinking the End of the World* B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return *In the Shadow of the Moon* Anthony Aveni,2017-04-25 From an award winning author astronomer and anthropologist an exploration of the scientific and cultural significance of the mesmerizing cosmic display Since the first humans looked up and saw the sun swallowed by darkness our species has been captivated by solar eclipses Astronomer and anthropologist Anthony Aveni explains the history and culture surrounding solar eclipses from prehistoric Stonehenge to Babylonian creation myths to a confirmation of Einstein s theory of general relativity to a spectacle that left New York City in the moon s shadow to future eclipses that will capture human imaginations In one accessible and engaging read Aveni explains the science behind the phenomenon tracks eclipses across the ancient world and examines the roles of solar eclipses in modern times to reveal the profound effects these cosmic events have had on human history Colored by his own experiences Aveni has witnessed eight total solar eclipses in his lifetime his account of astronomy s most storied phenomenon will enthrall anyone who has looked up at the sky with wonder Aveni s authoritative but accessible text is the clearest statement of the way our perception of eclipses has changed over the centuries Stuart Clark New Scientist Authoritative and engaging Marcelo Gleiser NPR s 13 7 A recommended way to share the spirit of the occasion Laurence A Marschall Natural History magazine Everything you need to enjoy a solar eclipse and even predict one just like the Babylonians did Aveni s entertaining explorations show the very different impacts eclipses have had on past and present cultures David DeVorkin National Air and Space Museum Smithsonian Institution [Astrology and Western Society from the First World War to Covid-19](#) William Burns,2023-10-11 This book gathers contributions on the topic of astrology in the West during the

twentieth and twenty first centuries from 1914 2022 It is the first collection exclusively devoted to a period that has been mostly neglected by historians of astrology who have mostly devoted themselves to the ancient medieval and early modern periods Uninterested in vindicating or debunking astrology contributors consider its cultural impact its relation to historical events and the ways in which it has changed in the last century The broad range of subjects on modern Europe and the US include the relation of astrology with indigenous thought interwar Polish astrology and the relation of American astrologers to COVID A bibliography of studies of modern astrology on a global basis is also included This collection is a thoughtful contribution to the history of astrology and the sociology of belief as well as carrying significant implications for twentieth and twenty first century history broadly The End of All Things is at Hand Jack Pyle, 2018-10-17 One hundred twenty six million American citizens have stated they believe Jesus will return to this earth by 2050 Most of them await his arrival with mental pictures and images obtained from the blockbuster Left Behind series of books of LaHaye and Jenkins or Hal Lindsey's portrayals in his book The Late Great Planet Earth Both books are fictional images of the end of the world created from the nightmarish and ghoulish descriptions of the author of the book of Revelation who wrote of events he believed were to occur in the Roman world before the return of Jesus It was to be a time of unimaginable horrors to come upon the world We read daily of alleged apocalyptic signs occurring now which individuals believe point to the end of the age of which Jesus spoke When one reads in detail the book of Revelation before the Prince of Peace sets a foot on planet earth it will be a smoking mess resulting from plague after plague that Jesus heaps upon earth's citizenry before his arrival Jesus is shown to arrive on earth much like that of the Dragon Lady in the Game of Thrones heaping fire and brimstone upon the ecology of the earth and its inhabitants He wears a garment dipped in blood This book is a bold walk through the Bible from beginning to end asserting that occupants of our planet are never going to ever see the arrival of the characters portrayed in the prophetic books of the Old Testament nor John's already outdated visions on the isle of Patmos World renowned bible scholars and theologians now tell us that Jesus believed the kingdom of God was to arrive on earth in his day and that the kingdom of God would be ushered into the world through his work and ministry to the nation of Israel You will be introduced throughout to the Jesus of the Third Quest Jesus who is only understood by understanding the Judaic world in which he lived He would have been potty trained like any normal Jewish child of his day Jesus it will be shown obtained all his beliefs from his family his synagogue his community and his society This book will open your eyes to Jesus of the third quest He was very human capable of mistakes and badly mistaken about the arrival of the kingdom of God Christians generally think of Jesus being incapable of error possessing omniscience and omnipotence and having prior existence as God wholly man and wholly God as did the author Third quest scholars and theologians tell us Jesus didn't see beyond the world in which he lived Jesus expected to rule on earth in his day along with the twelve apostles Most likely Jesus died feeling he was forsaken by God in what he set out to do Of Jesus' disputed last words on the cross the most reasonable choice may well be those of Matthew's gospel Eli Eli

Koontz,2014-07-31 The latest craze in Bible prophecy is the four blood moons and the Lord s feast days No doubt these are important biblical signposts However these signposts do not provide the all important context of relating to the timing of any specific biblical event i e rapture of the church Antichrist signing the seven year covenant with Israel and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel s history In this riveting book James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lord s fall feasts Since Christ s resurrection and ascension the all important question for His disciples and for many of us now is when is Christ coming back for His bride Additionally when will the Antichrist sign the peace covenant with Israel when will the great tribulation begin and when will Christ s second coming be These are all very important questions that the great sign helps us understand being the key to unlocking Bible prophecy in our time     Angels and Demons John
