Potts, Douglas W. Harwood, Jessica M. Hutton, Chris A. Fees, Karin M. Bauer, Lindsay M. Lucas, Christopher Kinzel, Robert J. Frazier, Transportation Research Board, This report from the second Strategic Highway Research Program SHRP 2 which is administered by the Transportation Research Board of the National Academies catalogs highway design treatments that can be used to reduce nonrecurrent congestion and improve the reliability of urban and rural freeways **Highway Safety Design and Operations Guide, 3rd Edition** , Highway Safety Design and Operations Guide, 1997 , 1997 A replacement to the publication entitled Highway design and operational practices related to highway safety also known as The Yellow Book and most recently published in 1974 **The Counter Terrorist Manual** Leroy Thompson, 2009-10-19 A comprehensive guide to counterterrorism units around the world and their recruitment training weapons equipment tactics and missions In the past thirty five years counterterrorist units have been deployed to deal with airplane ship train and bus hijackings They have rescued hostages in various types of buildings and have dealt with barricaded bank robbers prison rioters and assorted dangerous criminals Thousands have been rescued and millions have been safer because terrorists were aware that elite antiterrorist units were poised to act should they take hostages Following the September 11th attack on the World Trade Centre the mission of many anti terrorist units has expanded Some units now track terrorists to their lairs in other countries and strike them there Despite the significant and growing role of these units little is known about the way they operate The selection training structure and principles of maintaining such units together with basic theories of asymmetric warfare are the subject of Thompson s latest work In a practical step by step guide he analyses the necessary organization of such elite teams the arming and equipping of units and methods for a variety of missions from hostage rescue and high level dignitary protection to securing foreign embassies and counter WMD strikes Open the pages of this book and enter the world of the counterterrorist operator Praise for The Counter Terrorist Manual A finely illustrated guidebook to antiterrorist units deployed to handle airplane ship train and bus hijackings Units around the world are examined in a survey of these elite antiterrorist units and their operations a pick for any military library and packed with color photos of equipment and more Midwest Book Review **Truck Escape Ramps** David K. Witheford, 1992 This synthesis will be of interest to highway design engineers maintenance personnel safety and enforcement officials traffic engineers and others responsible for the safe operation of large trucks on highways Information is provided on the critical aspects of site location design criteria and maintenance procedures and their relationship to truck escape ramp performance The safety of truck drivers other road users and occupants of roadside properties is often imperiled by the combination of heavy trucks and steep downgrades on highways Frequently gearing down applying the brakes and using the retarding power of the engine are not sufficient to

control the truck and serious crashes can result Many states have constructed truck escape ramps to safely remove runaway trucks from the traffic stream This report of the Transportation Research Board provides information on the location design construction materials geometrics and construction costs of truck escape ramps Operational considerations such as descriptions of advance warning signs traffic control devices at the ramp and vehicle removal procedures are described Information on frequency and type of usage maintenance of the ramps and driver related issues is also included
