Francis The Journey And The Dream Murray Bodo:

Francis Murray Bodo,1988 In its poetic and reflective wisdom the book achieves a compelling montage of lessons and spiritual truths for contemporary Christians **Cross and Crown** **Surrounded by Love** Murray Bodo,2018 Friar Murray Bodo explores the core teachings of St Francis and discusses how they shape Franciscan spirituality even today **Tales of St. Francis** Murray Bodo,1988-09-04 There was a time at the very beginning when Francis and his brothers lived at a place near Assisi called Rivo Torto At Rivo Torto they fasted and did penance with all the enthusiasm and sometimes the imprudence of novices in the life of the Spirit as the following story shows One night as they all lay sleeping soundly a loud cry broke into their dreams I am dying I am dying Help me And the brothers startled for their sleep saw St Francis already at the side of the terrified brother What is it brother Tell me And though he was now embarrassed the brother overcame shame and said Forgive me Father Francis but I am dying of hunger Then St Francis immediately ordered the brothers to light a torch and go out and gather some herbs and vegetables and whatever else they could find for all of them to have a good nourishing meal He said this so that the poor brother would not have to be humiliated by eating alone And so all the brothers set themselves eagerly to the task of preparing a meal and then they all sat down with the hungry brother and ate a midnight supper Lesson Distinguish between moderation and excess We mature in God when we let him come and go as he wills and not try to force him to stay by exaggerated penance [The Way of St. Francis](#) Murray Bodo,1985-02-01 A way of life both stimulating and troubling This is the way of life St Francis shows us It asks that we look again at the possibilities within us and around us and see Francis s life and examples as a way of embracing our dark side of reconciling the opposites in ourselves and the world The Way of St Francis offers all Christians a guide to following the spirituality of the beloved saint from Assisi Father Murray Bodo challenges himself and us with a renewed understanding of Francis to whom we turn again and again in interpreting our own human experience and our experience of God We reflect on the saint s ways of letting go of achieving poverty of simplicity and non violence of entering all creatures Franciscan spirituality is no different from any other Christian spirituality observes Bodo But the way that Francis lives the Gospel has an irresistible attraction for all Francis makes me feel loved he makes me feel that I matter the author writes That is the power he exercises over us and that is why so many look to him as the model of what they too can be This is a book for all spiritual seekers and lovers of St Francis a man who has inspired millions for over eight centuries **Francis: The Journey and the Dream** Murray Bodo,2022-08-16 In 1972 a young Franciscan friar named Murray Bodo wrote a unique book about the life of St Francis of Assisi Francis The Journey and the Dream offered readers a unique combination of lyrical prose and brief absorbing vignettes that inspired hundreds of thousands of people all over the world to contemplate the life of the famous saint and see him in a new way Fifty years and over 200 000 copies later this book still captivates people everywhere and Fr Bodo is still writing about St Francis and the Franciscan way of life His poetic style continues to draw readers in and he himself continues to gaze

McCarthy,2010-08-13 Francis of Assisi as Artist of the Spiritual Life applies modern psychological understanding to a historical person While most such studies have sought a comprehensive personality profile this work focuses on one aspect Francis imagination and seeks greater insight into the imaginatively inspired spiritual vision of St Francis An analysis of Francis writings builds on a survey of modern views of the imagination and the approach of ORT or Object Relations Theory ORT with its contention that the imaginative creation of an infant's world develops out of the earliest interactions with the maternal caregiver highlights the way Francis formed his way of visualizing the reality around
