Eleanor Ehrenkranz,2012-02 This book is a compilation of recent Yiddish Israeli and American Jewish poetry in one compact volume Eleanor Ehrenkranz s Jewish poetry anthology encapsulates the agony of the Middle East in distilled images that pierce the heart Tovah Feldshuh actress I have to admit that I don t usually like poetry But ever since I first read it I have made an exception for Yankev Glatshteyn s Praying the Sunset Prayer which expertly performs what I believe to be the function of art to suggest to us why life is worth living Dara Horn novelist I loved reading Robert Pinsky s poem The Night Game It is wonderfully wise and evocative characteristically American and Jewish I see in Pinsky s words the limitless opportunities of America through the lens of America s game baseball Senator Joseph I Lieberman Rachel Korn s I Am Soaked Th rough By You is a beautifully economical history of love soaked through with passion tenderness and gratitude Judith Viorst poet and novelist *Grant* Ron Chernow,2018-09-25 The 1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 Eminently readable but thick with import Grant hits like a Mack truck of knowledge Ta Nehisi Coates The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our

most compelling generals and presidents Ulysses S Grant Ulysses S Grant's life has typically been misunderstood All too often he is caricatured as a chronic loser and an inept businessman or as the triumphant but brutal Union general of the Civil War But these stereotypes don't come close to capturing him as Chernow shows in his masterful biography the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency Before the Civil War Grant was flailing His business ventures had ended dismally and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness But in war Grant began to realize his remarkable potential soaring through the ranks of the Union army prevailing at the battle of Shiloh and in the Vicksburg campaign and ultimately defeating the legendary Confederate general Robert E Lee Along the way Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort Grant's military fame translated into a two term presidency but one plagued by corruption scandals involving his closest staff members More important he sought freedom and justice for black Americans working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass who called him the vigilant firm impartial and wise protector of my race After his presidency he was again brought low by a dashing young swindler on Wall Street only to resuscitate his image by working with Mark Twain to publish his memoirs which are recognized as a masterpiece of the genre With lucidity breadth and meticulousness Chernow finds the threads that bind these disparate stories together shedding new light on the man whom Walt Whitman described as nothing heroic and yet the greatest hero Chernow's probing portrait of Grant's lifelong struggle with alcoholism transforms our understanding of the man at the deepest level This is America's greatest biographer bringing movingly to life one of our finest but most underappreciated presidents The definitive biography Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant's life explaining how this simple Midwesterner could at once be so ordinary and so extraordinary Named one of the best books of the year by Goodreads Amazon The New York Times Newsday BookPage Barnes and Noble Wall Street Journal **Prologue**, 2016 **Complete Biographical Encyclopedia of Pulitzer Prize Winners 1917 - 2000** Heinz-D.
