What is meant by the phrase "Cotton is King"?
Northern wealth from industrial production accumulated in cash assets. Southern wealth was often tied up in land and slave investments. Therefore, when the Civil War began, the North was better able to fund the military operation based on more available cash, the sale of government bonds, and taxation. The South struggled to finance the war and tried desperately, but without success, to secure a foreign alliance to supplement the Confederate operation. The Union blockade of	Why did the South struggle to finance the war?
