His And Hers:

His & Hers Alice Feeney, 2020-08-26 There are two sides to every story yours and mine ours and theirs His Hers Which means someone is always lying Anna Andrews finally has what she wants Almost She s worked hard to become the main TV presenter of the BBC s lunchtime news putting work before friends family and her now ex husband So when someone threatens to take her dream job away she ll do almost anything to keep it When asked to cover a murder in Blackdown the sleepy countryside village where she grew up Anna is reluctant to go But when the victim turns out to be one of her childhood friends she can t leave It soon becomes clear that Anna isn t just covering the story she s at the heart of it DCI Jack Harper left London for a reason but never thought he d end up working in a place like Blackdown When the body of a young woman is discovered Jack decides not to tell anyone that he knew the victim until he begins to realise he is a suspect in his own murder investigation One of them knows more than they are letting on Someone isn t telling the truth Alternating between Anna s and Jack s points of view His Hers is a fast paced complex and dark puzzle that will keep readers guessing until the very end His, Hers and...Theirs?
