A Companion to Children's Literature Karen Coats, Deborah Stevenson, Vivian Yenika-Agbaw, 2022-06-06. *A COMPANION TO CHILDREN'S LITERATURE* A collection of international up-to-date and diverse perspectives on children's literary criticism. *A Companion to Children's Literature* offers students and scholars studying children's literature, education, and youth librarianship an incisive and expansive collection of essays that discuss key debates within children's literature criticism. The thirty-four works included demonstrate a diverse array of perspectives from around the world, introduce emerging scholars to the field of children's literature criticism, and meaningfully contribute to the scholarly conversation. The essays selected by the editors present a view of children's literature that encompasses poetry, fiction, folklore, nonfiction, dramatic stage and screen performances, picturebooks, and interactive and digital media. They range from historical overviews to the most current critical theory about children's books from across the globe. *A Companion to Children's Literature* explores some of the earliest works in children's literature, key developments in the genre from the 20th century, and the latest trends and texts in children's information books, postmodern fairytales, theatre plays, and more. This collection also discusses methods for reading children's literature, from social justice critiques of popular stories to Black critical theory in the context of children's literary analysis.

The Pedagogy of Images Marina Balina, Serguei A. Oushakine, 2021-06-01. In the 1920s, with the end of the revolution, the Soviet government began investing resources and energy into creating a new type of book for the first generation of young Soviet readers. In a sense, these early books for children were the ABCs of Soviet modernity: creatively illustrated and intricately designed, they were manuals and primers that helped the young reader enter the field of politics through literature. Children's books provided the basic vocabulary and grammar for understanding new post-revolutionary realities, but they also taught young readers how to perceive modern events and communist practices. Relying on a process of dual media rendering, illustrated books presented

propaganda as a simple repeatable narrative or verse while also casting it in easily recognizable graphic images A vehicle of ideology object of affection and product of labour all in one the illustrated book for the young Soviet reader emerged as an important cultural phenomenon Communist in its content it was often avant gardist in its form Spotlighting three thematic threads communist goals pedagogy and propaganda The Pedagogy of Images traces the formation of a mass modern readership through the creation of the communist inflected visual and narrative conventions that these early readers were meant to appropriate
