

THE ULTIMATE GUIDE TO MASTERING SPORTS AND BEYOND

Elevating Your Potential is an inspiring, informative book designed to teach student athletes how to find the bigger purpose behind their sport and to equip them to succeed in college and beyond.

Attending practices and competitions. Pursuing a degree. Living on your own. Preparing for the future. Once you enter college, you'll quickly realize that if you don't find a way to manage your student-athlete balance, you'll get burned out and something will fall behind. How do you prepare for this transition?

Jeremiah Gaines, M.Ed, takes his combined experience as a Division I athlete and college educator to break down the different components of a college athlete's career and push student athletes to work for the bigger picture of college athletics. In this book, Gaines will discuss:

- the recruitment and application process.
- scholarships and choosing your school.
- money management on a college budget.
- the need to balance athletics with academics.
- how to be the best teammate on and off the field, and
- gathering the resources needed to succeed beyond college.

No matter your chosen sport or future plans either in the world of business or as a professional athlete, college is meant to be a stepping stone to that future. With a thorough game plan on how to best prepare, communicate, and execute, you'll enter the college arena with a fast start and strong finish.

A coach once told Gaines, "Most of the time, student athletes put all of their efforts into getting the chance to 'make it,' but then once they're actually there, they're not prepared for it. Then the opportunity is gone before they even realize what happened."

That's not going to be your story. You're not just going to make it—you're going to elevate above the competition and thrive.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
