Tales From AHole Road** Tim Stevich, 2019-02 When Christine and Tim Stevich decided to renovate a unique old house they had lived in for over a decade, located outside a small rural town, they thought they had made the right decision. After renovating it into their dream home, they celebrated and settled down to enjoy their quiet new lifestyle. Unfortunately, some in their community had a different idea. With no warning or reason, people from the area began shouting at them from the road, honking at all hours of the night, and even creeping onto their property to look through the windows. Soon, hostile interactions with these people turned into a daily occurrence, and they began to fear for their safety. As the harassment grew uglier and more persistent, the Stevichs turned to the police and town council, only to find them unsympathetic and unable to restore peace to their neighborhood. They were alone and trapped in an unfathomable hell. This is the horrifying story of one couple's experience with ongoing and vicious harassment. It recounts the daily assaults they endured, the methods they used to cope and defend themselves, and ultimately how their terrible ordeal came to an end. To anyone who has or continues to face a similar situation, this book stands as a rallying call to do anything you can to secure your peace.
