Powell,2012-01-24 The answer to the question can i get my girlfriend back is yes probably You see if your girl still loves you no matter how much you ve messed up in the past she will more than likely be receptive to you if you can prove to her that she won t be wasting her time and that she won t get hurt again No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can t be trusted For this reason you will probably be able to win her back but you had better expect an uphill climb The first step is to give her a little time and space Don t rush her or expect everything to happen quickly It takes a lot longer to rebuild trust than it took to tear it apart More than likely by the time you ve gotten to this point you ve let her down more than once Please don t think that all that past hurt and all those mistakes will go away and she ll forget about them just because you say I m sorry or you tell her that I ve changed She ll probably need to see some proof that that is true It s important for you to concentrate on yourself instead of just trying to convince her you ve changed It will take you time to truly change the person that you are and you don t want to make the mistake of thinking you can somehow trick her into believing you are a different man **How to Get Your Ex Girlfriend**
