Horton, 1988 CIO, 1988-07 CIO magazine launched in 1987 provides business technology leaders with award winning analysis and insight on information technology trends and a keen understanding of IT's role in achieving business goals *Emerging Information Technologies for Competitive Advantage and Economic Development* Information Resources Management Association. International Conference, 1992-01-01 Keeping up with constant changes and innovations puts a lot of pressure on information providers and users to continuously upgrade their knowledge and skill This change means being flexible enough to recognize that the knowledge you receive today must be constantly updated This book will provide readers with the latest research findings and managerial experiences on a variety of technological innovations of IT *Managing Information Technology in a Global Society* Mehdi Khosrowpour, 1991-01-01 Technological advances in information technology have created many new ways and structures in our lives Organizations now are mastering services of this technology in their business strategies productivity customer services and other managerial functions to stay competitive With a focus on the global issues of IT and its implications on organization this proceedings includes all the presentations of this international conference **Knowledge Management: An Interdisciplinary Perspective** Sajjad M Jasimuddin, 2012-01-27 This book analyzes dynamic relationships among the disciplines that have contributed to the development of knowledge management It focuses on establishing relationships between knowledge management and other disciplines such as information management organizational learning innovation management and strategic management It debates the origin and development of knowledge management thus providing a clear and conceptual understanding of the field This in turn will help readers adopt better approaches to solve knowledge management problems *Practical Information Policies* Elizabeth Orna, 1999 This book makes information management relevant and understandable It provides guidance for what we should do and how we should do it in response to the key question Why are information and knowledge increasingly viewed as critical resources for successful organizations and their leaders The author presents useful frameworks approaches and cases to turn information into action for general managers as well as information specialists book jacket Systems Development Methods for the Next Century W. Gregory Wojtkowski, Wita Wojtkowski, Stanislaw Wrycza, Armi Krajowej, Jozse Zupancic, 2012-12-06 This book is a result of the ISD 97 Sixth International Conference on Information Systems Development Methods and Tools Theory and Practice held August 11 14 1997 in Boise Idaho USA The purpose of this Conference was to address the issues facing academia and industry when specifying developing managing and improving software systems The selection of papers was carried out by the International Program Committee All papers were reviewed in advance by at least three people Papers were judged according to their originality relevance and presentation quality All papers were judged purely on their own merits independently of other submissions This year's Information Systems Development Conference ISD 97 is the first ISD conference being held in the

US ISD was brought into existence almost ten years ago. It continues the fine tradition of the first Polish Scandinavian Seminar on Current Trends in Information Systems Development Methodologies held in Gdansk Poland in 1988. ISD 98 will be held in Bled Slovenia. ISD 97 consists not only of the technical program represented in these proceedings but also tutorials on improved software testing and end user information systems and workshop on sharing knowledge within international high technology industries that are intended for both the research and business communities. We would like to thank the authors of papers accepted for ISD 97 who all made gallant efforts to provide me with electronic copies of their manuscripts conforming to common guidelines. We thank them for thoughtfully responding to reviewers comments and carefully preparing their final contributions.
