carbohydrates out of your diet Or replacing every single gram of sugar with omega 3 fatty acids It s not about doing one hundred sit ups a day or getting on the treadmill whenever you have a free second In fact it s not about any of the total lifestyle replacement gimmicks whether diet exercise or pop psychology that have swept our culture in recent years putting untold millions of Americans on the risky roller coaster of success and failure that defines fad diets and programs Not here Small Changes Big Results is about reality the reality of what you can do the reality of what you want to do and the reality of what works It s about introducing a series of small changes each week for three months in the three core areas of diet and nutrition exercise and fitness and emotional wellness For each of the twelve weeks nutritionist Ellie Krieger introduces a very finite completely practical action plan for the week and not only are these tasks incredibly doable they re in fact so accessible that it s tough not to be inspired For example in Week 1 the nutrition task is merely to go shopping buy some healthful pantry items and start keeping track of what you eat the exercise consists of taking three twenty minute walks and the wellness aspect is to do a five minute breathing exercise That s it And it doesn t really get any harder But these small changes do in fact lead to big results At the end of twelve weeks a totally unhealthy diet has been overhauled armed with easy delicious recipes and tips you ve removed unhelpful munchies and replaced them with healthful snacking you ve cut down on lethal trans fats while adding beneficial fat choices you ve replaced refined grains with whole grains you re eating more fish and less red meat and so forth Yet you ve never been forbidden to eat a single thing instead of prohibiting entire food groups Ellie categorizes foods as Usually Sometimes and Rarely and now you should be eating more from the Usually choices less from the Rarely category Furthermore you ve integrated physical activity into your life and you ve developed a set of tools to help you deal with stress you re not only eating better but you re also exercising better and feeling better The beauty of this program is that none of these action steps is remotely intimidating because they re not a full immersion into a totally new lifestyle Instead it s a series of incremental changes removing bad habits one by one while at the same time adding good ones There s nothing to scare you off on the contrary here s a whole book full of small changes that produce big results *Holly Hagan's Body Bible* Holly Hagan,Elissa Corrigan ,Ashley Lucas,2015-04-20 Holly Hagan s Body Bible is a 12 week guide giving you a complete diet plan for EVERY MEAL and step by step exercise and cardio plan which combined seriously shift fat fast Inside the book you ll find Holly s exact diet plan guiding you through every single meal for 12 weeks Giving you the power to select foods you like follow this diet strictly along with a super simple exercise plan which can be performed at home or in the gym and just like Holly you ll burn fat Holly Hagan is almost unrecognisable from the girl who first hit our screen s on MTV S hit show Geordie Shore Overweight and unhappy Holly was depressed about the way she looked until one day when she decided to take matters into her own hands by transforming her lifestyle and body Holly herself will admit it s been hard work but now healthy happy and three stone lighter she wants to share her secret s with you For the first time Holly has brought together everything she did to change her look and it s all here in her simpler 12 Week Body Bible Most of

us would like to burn some fat tone up and look healthier by following Holly s complete everyday diet along with her fat busting exercises for the total 12 weeks she will give you all the advice to enhance your body Start your journey right here This diet worked for Holly and it will work for you
