The Fabric of Peace in Africa Pamela Aall, Chester A. Crocker, 2017-06-05 Africa has experienced dozens of conflicts over a variety of issues during the past two decades Responding to these conflicts requires concerted action to manage the crises the violence the political discord and the humanitarian consequences of prolonged fighting It is also necessary to address the long term social and economic impacts of conflict to rebuild communities societies and states that have been torn apart To accomplish this requires the involvement of institutions and groups rarely considered in formal official African conflict management activities schools universities religious institutions media commercial enterprises legal institutions civil society groups youth women and migrants These groups and organizations have an important role to play in building a sense of identity fairness shared norms and cohesion between state and society all critical components of the fabric of peace and security in Africa This volume brings together leading experts from Africa Europe and North America to examine these critical social institutions and groups and consider how they can either improve or impede peaceful conflict resolution The overarching questions that are explored by the authors are What constitutes social cohesion and resilience in the face of conflict What are the threats to cohesion and resilience And how can the positive elements be fostered and by whom The second of two volumes on African conflict management capacity by the editors The Fabric of Peace in Africa Looking beyond the State opens new doors of understanding for students scholars and practitioners focused on strengthening peace in Africa the first volume Minding the Gap African Conflict Management in a Time of change focused on the role of mediation and peacekeeping in managing violence and political crises

Mathematics Education in East Africa Anjum Halai, Geoff Tennant, 2016-03-08 This Open Access book is a valuable resource for policymakers and practitioners as it brings insights mainly from developing countries where relatively less research activity takes place It is also a valuable resource for courses in mathematics education in the teacher education colleges and departments of education in the sub Saharan Africa region In the increasingly global and technological world mathematics is seen as a significant gatekeeper of opportunities for social and economic advancement and mobility Hence countries and development agencies in the broader sub Saharan Africa region are looking towards increasing access to relevant and high quality secondary education as a lever towards economic

development Policy makers and other key decision makers in education look towards improvement in mathematics teaching and learning as a key focus in education reform In the East Africa region also a number of initiatives have been taken at the national level in the respective countries to improve the quality of mathematics education This book provides an in depth comparative analysis of the developments and issues in mathematics education in Kenya Tanzania Rwanda and Uganda and advances our understanding of the state of secondary mathematics education in East Africa

Quality Teaching and the Capability Approach Alison Buckler, 2015-04-24 This book provides an analytical exploration of the condition of teachers working in expanding school systems across the world with a particular focus on the lives of women teachers in rural Sub Saharan Africa Drawing from award winning research it looks beyond the official portrayals of teachers lives in order to better understand the reality of the contexts in which teachers live and work Positioning Amartya Sen s capability approach at the heart of the study each chapter considers documentary evidence alongside ethnographic research from rural remote and under resourced schools in Ghana Nigeria Kenya South Africa and Sudan Interweaving rich narratives from teachers in a variety of contexts the book proposes a concept of professional capability and examines female teachers agency to pursue and achieve this in their classrooms This key examination challenges existing notions of quality education and reveals insights into the broader purpose of schooling for rural communities Quality Teaching and the Capability Approach will be of value to researchers academics and postgraduate students in education particularly those concerned with gender development and teaching as well as educationalists and policy makers concerned with education and development

International Research on Education for Sustainable Development in Early Childhood John Siraj-Blatchford, Cathy Mogharreban, Eunhye Park, 2016-10-14 This book offers a perspective on Education for Sustainable Development in Early Childhood ESDEC that is far removed from the business as usual notion of an extended predominantly environmental educational curriculum for preschools It presents a vision of sustainable development that has relevance to Early Childhood Care and Education ECCE from birth to school it is relevant as much to homes family support and health settings as it is to educational settings and is as much concerned with health and wellbeing as with education The book provides a perspective that is fundamentally embedded in notions of interdependency It places an emphasis upon the importance of recognising the interdependency of peoples within and between nation states the ecological interdependencies of the natural world of humanity and nature and most significantly the interdependency of adults and children These emphases have their origins in the grassroots studies included in the ten chapters representing countries from around the world The book reflects the idea that only global solutions and initiatives are capable of addressing the global challenges of climate change environmental pollution and global threats to ecological systems and biodiversity

The Predatory Paradox Amy Koerber, Jesse C. Starkey, Karin Ardon-Dryer, R. Glenn Cummins, Lyombe Eko, Kerk F. Kee, 2023-10-24 In today s publish or perish academic setting the institutional prizing of quantity over quality has given rise to and perpetuated the dilemma of

predatory publishing Upon a close examination however the definition of predatory itself becomes slippery evading neat boxes or lists which might seek to easily define and guard against it This volume serves to foreground a nuanced representation of this multifaceted issue In such a rapidly evolving landscape this book becomes a field guide to its historical political and economic aspects presenting thoughtful interviews legal analysis and original research Case studies from both European American and non European American stakeholders emphasize the worldwide nature of the challenge faced by researchers of all levels This coauthored book is structured into both textual and supplemental materials Key takeaways discussion questions and complete classroom activities accompanying each chapter provide opportunities for engagement and real world applications of these concepts Crucially relevant to early career researchers and the senior faculty library scholars and administrators who mentor and support them The Predatory Paradox Ethics Politics and Practices in Contemporary Scholarly Publishing offers practical recommendations for navigating the complex and often contradictory advice currently available University instructors and teaching faculty will also find the reading essential in order to properly prepare both graduate and undergraduate students for the potential pitfalls endemic to scholarly publishing

My Journey Of Faith Charles Mutua Mulli, 2016-03-16 At six years old Charles Mulli woke up one morning to find he had been completely abandoned by both parents All alone he fell into a life of abject poverty forcing Mulli to wander from hut to hut begging for food for his very survival unable even to attend school As a teenager Mulli started a small taxi company which grew to be very successful Eventually he expanded his business ventures to include real estate insurance and oil and gas distribution becoming a highly successful businessman But despite all his success the growing struggle in his heart over the plight of thousands of Kenyan street children remained strong until one day he surrendered to the call of God on his life to sell everything he owned and begin rescuing street children from the slums of Kenya His story is told here in My Journey of Faith from his own perspective describing his incredible life of faith that is filled with love miracles and powerful answers to prayer and demonstrates persuasively how a close walk with God is accessible to all of us even today The reader will experience the amazing true stories of tragedy turned triumph where hopeless cases encounter the work of Charles Mulli's and discover a new life they could not have imagined

Higher Education for and beyond the Sustainable Development Goals Tristan McCowan, 2019-08-29 This book analyses the role of the university in working towards the Sustainable Development Goals In contrast to the previous Millennium Development Goals higher education is seen to have a crucial role in this new agenda Yet how can the university fulfil these weighty expectations and are the dominant trends in higher education supporting or undermining this vision This book draws on the idea of the developmental university a model characterised by its porous boundaries with society and commitment to teaching research and community engagement in the public interest The author examines case studies from Latin America Africa and other regions to analyse how this model can be revived countering recent trends of marketisation status competition and unbundling The book also considers alternatives to the

developmental model drawing on indigenous knowledge systems looking beyond the SDG framework to the creation of a new form of society This timely volume will be of interest and value to those working in the field of sustainable development and to students and scholars of comparative education international development and higher education studies **Kenya**
