Divided into three parts, part one shows how to buy a car from a private party. Part two details how to buy a car through a dealer. In the third part, UCBM offers advice on how to sell your car along with tips designed to keep your car running problem free. The UCBM also offers a vehicle inspection checklist designed to be photocopied for the reader's convenience. But the most impressive information UCBM offers is its Directory of Reliable Used Cars. Appendix UCBM shows you which cars are reliable by listing over a hundred models, then taking the best in each class, offering them as the creme de la creme. In the US, resale price fixing merits an effects analysis, while in the EU it is prohibited outright. Likewise, territorial protection is treated laxly in the US while in the EU absolute territorial protection, due to the single market imperative, is chased with fire and sword.
