Les Feux D'automne:

Irène Némirovsky Jonathan M. Weiss, 2007 This short critical biography by an expert on contemporary French literature is a fine introduction to the work of Irene Nemirovsky author of *Suite Française* who died in Auschwitz in 1942 Russian Montparnasse Maria Rubins, 2015-09-29 This book reassesses the role of Russian Montparnasse writers in the articulation of transnational modernism generated by exile Examining their production from a comparative perspective it demonstrates that their response to urban modernity transcended the Russian master narrative and resonated with broader aesthetic trends in interwar Europe *David Golder, The Ball, Snow in Autumn, The Courilof Affair* Irene Nemirovsky, 2008-12-18 Readers everywhere were introduced to the work of Irène Némirovsky through the publication of her long lost masterpiece *Suite Française* But *Suite Française* was only the coda to the brief yet remarkably prolific career of this nearly forgotten magnificent novelist Here in one volume are four of Némirovsky's other novels all of them newly translated by the award winning Sandra Smith and all except *DAVID GOLDBER* available in English for the first time *DAVID GOLDBER* is the novel that established Némirovsky's reputation in France in 1929 when she was twenty six It is a novel about greed and loneliness the story of a self made business man once wealthy now suffering a breakdown as he nears the lonely end of his life *THE COURILOF AFFAIR* tells the story of a Russian revolutionary living out his last days and his recollections of his first infamous assassination Also included are two short gemlike novels *THE BALL* a pointed exploration of adolescence and the obsession with status among the bourgeoisie and *SNOW IN AUTUMN* an evocative tale of White Russian migrants in Paris after the Russian Revolution Introduced by celebrated novelist Claire Messud this collection of four spellbinding novels offers the same storytelling mastery powerful clarity of language and empathic grasp of human behavior that would give shape to *Suite Française*

Cherry, 1914 **Lecteurs et lectures des communistes d'Aragon** Corinne Grenouillet, 2000 **The Life of Irene Nemirovsky** Olivier Philipponnat, Patrick Lienhardt, 2010-05-04 A major biography of Irène Némirovsky author of the acclaimed and internationally bestselling *Suite Française* with new material never published in English Irène Némirovsky's own life was as dramatic as any fiction And few writers enjoy a posthumous resurgence as astonishing as hers after the international triumph of *Suite Française* The authors of this fascinating biography have had access to previously unpublished documents and to surviving family members in Russia researching there her childhood in the Ukraine and tracing her odyssey first to St Petersburg where her father was a successful financier and then as the family was forced to flee the Russian Revolution to Finland Sweden and finally France in 1919 Meticulously researched and passionately felt this is a remarkable panoramic biography of an exceptional writer a moving portrait of a woman and of her extraordinary times and a sweeping saga of a turbulent period of European history holding up a mirror to the world of publishing intellectual thought society and the darker shadow of prejudice between the wars , The Némirovsky Question Susan Rubin Suleiman, 2016-11-22 A fascinating look into the life and work of controversial French novelist Irène N

mirovsky Ir ne N mirovsky succeeded in creating a brilliant career as a novelist in the 1930s only to have her life cut short a foreign Jew in France she was deported in 1942 and died in Auschwitz But her two young daughters survived and as adults they brought their mother back to life In 2004 Suite fran aise N mirovsky s posthumous novel became an international best seller some critics however condemned her as a self hating Jew whose earlier works were rife with anti Semitic stereotypes Informed by personal interviews with N mirovsky s descendants and others as well as by extensive archival research this wide ranging intellectual biography situates N mirovsky in the literary and political climate of interwar France and recounts for the first time the postwar lives of her daughters N mirovsky s Jewish works Suleiman argues should be read as explorations of the conflicted identities that shaped the lives of secular Jews in twentieth century Europe and beyond

Paths to Contemporary French Literature John Taylor,2017-07-05 The first volume of Paths to Contemporary French Literature offered a critical panorama of over fifty French writers and poets With this second volume John Taylor an American writer and critic who has lived in France for the past thirty years continues this ambitious and critically acclaimed project Praised for his independence curiosity intimate knowledge of European literature and his sharp reader s eye John Taylor is a writer critic who is naturally skeptical of literary fashions overnight reputations and readymade academic categories Charting the paths that have lead to the most serious and stimulating contemporary French writing he casts light on several neglected postwar French authors all the while highlighting genuine mentors and invigorating newcomers Some names Patrick Chamoiseau Pascal Quignard Jean Philippe Toussaint Jean Rouaud

Francis Ponge Aime Cesaire Marguerite Yourcenar J M G Le Clezio may be familiar to the discriminating and inquisitive American reader but their work is incisively re evaluated here The book also includes a moving remembrance of Nathalie Sarraute and an evocation of the author s meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English speaking countries Taylor s pioneering elucidations in this respect are particularly valuable This second volume also examines a number of non French originally non French speaking writers such as Gherasim Luca Petr Kral Armen Lubin Venus Ghoura Khata Piotr Rawicz as well as Samuel Beckett who chose French as their literary idiom Taylor is in a perfect position to understand their motivations struggles and goals In a day and age when so little is known in English speaking countries about foreign literature and when so little is translated the two volumes of Paths to Contemporary French Literature are absorb

Shadows in the City of Light Sara R. Horowitz, Amira Bojadzija-Dan, Julia Creet, 2021-05-01 The essays in *Shadows in the City of Light* explore the significance of Paris in the writing of five influential French writers Sarah Kofman Patrick Modiano George Perec Henri Raczymow and Irene Nemirovsky whose novels and memoirs capture and probe the absences of deported Paris Jews These writers move their readers through wartime and postwar cityscapes of Paris walking them through streets and arrondissements where Jews once resided looking for traces of the disappeared The city functions as more than a backdrop or setting Its streets and buildings and monuments remind us of the exhilarating promise of the French Revolution and what it meant for Jews dreaming of equality But the dynamic space of Paris also reminds us of the Holocaust and its aftermath The shadowed paths traced by these writers raise complicated questions about ambivalence absence memory secularity and citizenship In their writing the urban landscape itself bears witness to the absent Jews and what happened to them For the writers treated in this volume neither their Frenchness nor their Jewishness is a fixed point Focusing on Paris s dual role as both a cultural hub and a powerful symbol of hope and conflict in Jewish memory the contributors address intersections and departures among these writers Their complexity of thought artistry and depth of vision shape a new understanding of the impact of the Holocaust on Jewish and French identity on literature and literary forms and on the development of Jewish secular culture in Western Europe **Les Feux d'été** Paul-Émile
