Royal Commission on Environmental Pollution,2007 This report addresses a complex and controversial issue the human health risks associated with the use of agricultural pesticides Some people are extremely concerned about their potential exposure to pesticides arising because they occupy properties adjacent to farmland or because they have or have had access to such land for example when using footpaths The official position in the UK in response to these concerns has been that a robust approach to the assessment of human health risks associated with pesticide exposure already exists and that there is no scientific case for taking additional measures such as the introduction of no spray buffer zones to protect members of the public who may be in the vicinity of a sprayed area But those who consider themselves to be adversely affected by pesticide spraying have not been reassured and have continued to campaign for the adoption of more precautionary measures **Persian Gulf War Veterans Issues** United States. Congress. House. Committee on Veterans' Affairs. Subcommittee on Benefits,2000 *The Internet for Orthopaedists* Don Johnson,Myles Clough,2006-05-11 This text focuses on the Internet needs of orthopaedic surgeons It educates them on how to use the web in their day to day practice Topics covered in depth include quick access to the Internet the history of the Internet terminology hardware and software search engines e mail CME browsers mailing lists medical informatics and creating web pages An extensive list of annotated orthopaedic specific Internet sites are also included This unique compilation of orthopaedic specific information forms an invaluable resource for every orthopaedic surgeon wishing to make effective and efficient use of the Internet in his her practice The Internet for Physicians Roger P.
