succeed **Polypropylene** Clive Maier, Theresa Calafut, 1998-04-15 Polypropylene The Definitive User's Guide and Databook presents in a single volume a panoramic and up to the minute user's guide for today's most important thermoplastic. The book examines every aspect: science, technology, engineering, properties, design, processing, applications, of the continuing development and use of polypropylene. The unique treatment means that specialists can not only find what they want but for the first time can relate to and understand the needs and requirements of others in the product development chain. The entire work is underpinned by very extensive collections of property data that allow the reader to put the information to real industrial and commercial use. Despite the preeminence and unrivaled versatility of polypropylene as a thermoplastic material, to manufacture relatively few books have been devoted to its study. Polypropylene The Definitive User's Guide and Databook not only fills the gap but breaks new ground in doing so. Polypropylene is the most popular thermoplastic in use today and still one of the fastest growing. Polypropylene The Definitive User's Guide and Databook is the complete workbook and reference resource for all those who work with the material. Its comprehensive scope uniquely caters to polymer scientists, plastics engineers, processing technologists, product designers, machinery and mold makers, product managers, end users, researchers, and students alike.

Better Business Writing Timothy R. V. Foster, 2002 Praise and Reviews Essential guidance on communicating clearly, tightly and with style. Timothy Foster provides unparalleled guidance on the whole subject. THE FORUM FOR ASSOCIATES OF THE INSTITUTE FOR INDEPENDENT BUSINESS August 2002 IMPROVE YOUR TECHNIQUE EXPRESS YOURSELF POWERFULLY WRITE WITH STYLE MAKE A GREAT IMPRESSION Many of the people you want to reach today will do almost anything to avoid the act of reading. They look. They scan. They skip lengthy text. They allow distractions to destroy what little concentration they have. They give up before absorbing your message correctly. Combine this fact with the prevailing trend to outsourcing and self employment which often means those who never thought of themselves as writers must now take on that task and you have a difficult situation. The need for excellence in written communication has never been greater, especially in today's corporations, organisations and one man bands. Better Business Writing provides essential guidance on communicating clearly, tightly and with style. Expert author Timothy R V Foster takes you through the whole subject with helpful advice and practical checklists. He covers all the important issues including: clarifying the audience to be reached, choosing a structure to fit the task, understanding different text styles and when to use them, creating advertisements and direct mail to get results, composing articles, speeches and scripts to inform and enthuse, making business proposals and presentations to win, producing books, manuals and brochures that work, developing effective Web sites, multimedia and e mails.
