Forecast Shakespeare Sisters

Victor Cahn

Forecast Shakespeare Sisters:

Forecast Jane Tara, 2015-02-19 The Shakespeare women were what the locals of Greenwich Village called gifted They did tarot readings and cast spells from their infamous shop Second Site And each morning Rowie would perform her popular weather prediction on the pavement outside Sure Rowie s predictions were helpful for forecasting the weather but when it came to love her abilities were more like a curse Why bother dating a guy if you knew at the first kiss he was destined for someone else And how would she ever meet anyone while she was stuck working at the family shop Rowie was resigned to never finding love Until Drew Henderson New York s hottest weatherman is injured and the network decides to replace him with a gimmick the Psychic Weatherwoman The very scientific Drew is furious The witch might light up the TV screen But how dare the network make a mockery of meteorology Now Rowie s overbearing grandmother Gwendolyn won t talk to her Sixteen generations of Shakespeare women have worked in the family business How dare she make a mockery of her gift But Rowie loves her new job and won t let anyone ruin it Until the day Drew Henderson kisses her and she can t predict his future In fact she can t predict anything Forecast is the first book in the Shakespeare Sisters series **Girlhood of**

Shakespeare's Sisters Jennifer Higginbotham, 2013-01-31 The first book length study of the way the literature and drama of the sixteenth and seventeenth centuries constructed the category of the girl *Musical Forecast* ,1926 **Island of First Light** Norman G. Gautreau, 2004 To escape her fragmented family Caitlin Bay flees to an island off the coast of Maine where she ends up incensing the locals by helping a Native American publish an account of a tragic event that happened to her people many years before **A Bookshelf of Our Own** ,2006 In an analysis of the fifty most important books by and about women from the Middle Ages to the present day each book is placed within its historical context tracing the life and influence

of such authors as Toni Morrison Edith Wharton Grace Paley Zora Neale Hurston and Mary Wollstonecraft Shakespeare's Things Brett Gamboa, Lawrence Switzky, 2019-11-19 Floating daggers enchanted handkerchiefs supernatural storms and moving statues have tantalized Shakespeare s readers and audiences for centuries The essays in Shakespeare s Things Shakespearean Theatre and the Non Human World in History Theory and Performance renew attention to non human influence and agency in the plays exploring how Shakespeare anticipates new materialist thought thing theory and object studies while presenting accounts of intention action and expression that we have not yet noticed or named By focusing on the things that populate the plays from commodities to props corpses to relics they find that canonical Shakespeare inventor of the human gives way to a lesser known figure a chronicler of the ceaseless collaboration among persons language the stage the object world audiences the weather the earth and the heavens *Shakespeare's Catholicism* Sister Maura, 1924

Shakespeare's Language Frank Kermode, 2001-08 In this magnum opus Britain s most distinguished scholar of 16th century and 17th century literature restores Shakespeare s poetic language to its rightful primacy **Shakespeare's Julius Caesar** William Shakespeare, 1883 *The Essential Book of Weather Lore* Leslie Alan Horvitz, 2007 Believe it or not folklore

and science have more in common than you might imagine With The Essential Book of Weather Lore learn how you can Predict the weather by peeling an onion or examining the bubbles in your coffee Use plants as meteorological tools by watching how they open and close their flowers or turn their leaves to show their backs before rain Foretell the next storm by observing your cat or dog Grab for your umbrella if you hear a rooster crow at night and more Book jacket

Shakespeare's Romantic Comedies Peter G. Phialas,2012-06-01 Phialas provides commentaries on Shakespeare's romantic comedies treats in detail individual scenes and characters and makes illuminating comparisons and contrasts of character with character The chief concern of the book is with the action of each play the nature and relationship of its parts and the meaning that the action dramatizes Originally published in 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Shakespeare's French Connection Margrethe Jolly,2024-07-18 Shakespeare most often locates his plays in Italy and England and his third most frequent setting is France Indeed nearly 70 scenes at a conservative count and perhaps as many as 100 take place in France in a variety of significant geographical locations French is also the foreign language Shakespeare uses most he is sufficiently au fait with French to use it for puns and scatological jokes He weaves in comments on French fashion ways of walking and skills in horsemanship sword playing and dancing Not only does Shakespeare draw directly or indirectly upon French chroniclers but he also presents us with parts of French history Many French characters people his stage sometimes historical figures appear as themselves and sometimes they are alluded to And the plays demonstrate Shakespeare's reading in French literature and how that influenced him This work shows us just how widely that French presence is evident in his plays Other books and articles may focus on Shakespeare's familiarity with Italy the bible law medicine or astronomy for example This book adds to those shining another spotlight on Shakespeare's remarkable knowledge and eclectic reading confirming him yet again as a truly extraordinary Renaissance figure *Bulletin of the New Rochelle Public Library* New Rochelle Public Library,1916

Shakespeare's Dramatic Challenge G. Wilson Knight,2013-10-28 First published in 2002 This is the Volume III of the five G Wilson Knight collected works series and focuses on Shakespeare's tragic heroes for his early to later tragedies or Timon of Athens Anthony and Cleopatra and Coriolanus This book has grown from Knight's dramatic recital Shakespeare's Dramatic Challenge and therefore includes a prefatory note on his stage experience The complete record with illustrations has already been documented in Shakespearean Production enlarged 1964 but a rather more personal account is offered here **The Routledge Research Companion to Shakespeare and Classical Literature** Sean Keilen,Nick Moschovakis,2017-03-31 In this wide ranging and ambitiously conceived Research Companion contributors explore Shakespeare's relationship to the classic in two broad senses The essays analyze Shakespeare's specific debts to classical works and weigh his classicism's

likeness and unlikeness to that of others in his time they also evaluate the effects of that classical influence to assess the extent to which it is connected with whatever qualities still make Shakespeare himself a classic arguably the classic of modern world literature and drama The first sense of the classic which the volume addresses is the classical culture of Latin and Greek reading translation and imitation Education in the canon of pagan classics bound Shakespeare together with other writers in what was the dominant tradition of English and European poetry and drama up through the nineteenth and even well into the twentieth century Second and no less central is the idea of classics as such that of books whose perceived value exceeding that of most in their era justifies their protection against historical and cultural change The volume s organizing insight is that as Shakespeare was made a classic in this second antiquarian sense his work s reception has more and more come to resemble that of classics in the first sense of ancient texts subject to labored critical study by masses of professional interpreters who are needed to mediate their meaning simply because of the texts growing remoteness from ordinary life language and consciousness The volume presents overviews and argumentative essays about the presence of Latin and Greek literature in Shakespeare s writing They coexist in the volume with thought pieces on the uses of the classical as a historical and pedagogical category and with practical essays on the place of ancient classics in today s Shakespearean classrooms

Love versus law; or, Marriage with a deceased wife's sister Joseph Middleton (barrister.),1855 *Introducing Shakespeare's Tragedies* Victor Cahn,2017-09-08 This stimulating and accessible book is intended for instructors at the junior high school high school and undergraduate levels who present Shakespeare s most familiar tragedies to students who are largely unfamiliar with them Acclaimed teacher of drama Victor L Cahn begins with a general introduction then examines six of Shakespeare s tragedies Romeo and Juliet Julius Caesar Hamlet Othello King Lear and Macbeth With attention always directed towards inspiring student interest and response Professor Cahn provides an overview or spine for each work then proceeds scene by scene focusing on salient characters details of language and major themes The volume not only is entertaining and clear but also raises provocative points of interpretation as well as numerous questions for discussion Underlying the project is the conviction that although the plays are most effective in performance they can nonetheless prove compelling in the classroom where students can appreciate that although these works are set in a distant time and place their issues and implications remain universal

The Oxford Handbook of Shakespearean Tragedy Michael Neill,David Schalkwyk,2016-08-18 The Oxford Handbook of Shakespearean Tragedy presents fifty four essays by a range of scholars from all parts of the world Together these essays offer readers a fresh and comprehensive understanding of Shakespeare tragedies as both works of literature and as performance texts written by a playwright who was himself an experienced actor The opening section explores ways in which later generations of critics have shaped our idea of Shakespearean tragedy and addresses questions of genre by examining the playwright s inheritance from the classical and medieval past The second section is devoted to current textual issues while the third offers new critical readings of each of the tragedies This is set

beside a group of essays that deal with performance history with screen productions and with versions devised for the operatic stage as well as with twentieth and twenty first century re workings of Shakespearean tragedy The book s final section expands readers awareness of Shakespeare s global reach tracing histories of criticism and performance across Europe the Americas Australasia the Middle East Africa India and East Asia *Worldly Shakespeare* Richard Wilson,2016-02-02 A comprehensive rereading of Shakespeare s plays in light of current debates about free speech and toleration **Shakespeare's Treatment of Love & Marriage and Other Essays** Charles Harold Herford,1921
