From the Mind of God to the Mind of Man James B. Williams, 2014-06-04 The current controversy over the Bible's text and translations is creating confusing division within the ranks of Fundamentalism A mass of misinformation fuels the debate Scores of men realize the enormous errors being popularized but hesitate to engender further debate by speaking out The confusion however is now so pervasive within Fundamentalism that the true biblical and historical facts on the text transmission and translations of Scripture must be restated in layman's terms These facts argue eloquently for the unity not the division of God's people on these issues **A Translation of the Syriac Peshito Version of the Psalms of David; with notes critical and explanatory, by the Rev.
