possible answers to questions often asked of Jesus ministry Mary even introduces a few new miracles that were not included in the scriptures As John tells us in 21:25 And there are also many other things which Jesus did which if they were written in detail I suppose that even the world itself would not contain the books that would be written This heartwarming rendition of Jesus ministry through the eyes of His mother provides a fresh perspective to some very old stories *Hudson's Kill* Paddy Hirsch, 2025-09-23 Set in 1803 New York Hudson's Kill is the riveting next historical thriller from NPR reporter and producer Paddy Hirsch perfect for fans of *The Alienist* and *Gangs of New York* New York in 1803 is rife with tension as the city expands and whoever knows where the city will build can control it And violence builds as a mysterious provocateur pits the city's black and Irish gangs against each other When a young black girl is found stabbed to death both Justy Flanagan now a City Marshal and Kerry O Toole now a school teacher decide separately to go after the killer They each find their way to a shadowy community on the fringes of the growing city where they uncover a craven political conspiracy bound up with a criminal enterprise that is stunning in its depravity Justy and Kerry have to fight to save themselves and the city and only then can they bring the girl's killer to justice At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *A Girl Named Zippy* Haven Kimmel, 2002-06-18 The New York Times bestselling memoir about growing up in small town Indiana from the author of *The Solace of Leaving Early* When Haven Kimmel was born in 1965 Mooreland Indiana was a sleepy little hamlet of three hundred people Nicknamed Zippy for the way she would bolt around the house this small girl was possessed of big eyes and even bigger ears In this witty and lovingly told memoir Kimmel takes readers back to a time when small town America was caught in the amber of the innocent postwar period people helped their neighbors went to church on Sunday and kept barnyard animals in their backyards Laced with fine storytelling sharp wit dead on observations and moments of sheer joy Haven Kimmel's straight shooting portrait of her childhood gives us a heroine who is wonderfully sweet and sly as she navigates the quirky adult world that surrounds Zippy
