la réalité sud africaine est tragique près de deux décennies après l'accession au pouvoir d'une majorité noire l'Afrique du Sud cesse en effet peu à peu d'être une excroissance de l'Europe l'extrême australe du continent africain pour devenir un état du tiers monde avec certes un secteur encore ultraperformant mais de plus en plus réduit surnageant dans un océan de purgées de corruption de misère sociale et de violence

invaluable diplomatic aid and advice to the King during the 23 years he spent in the country Back in France in 1855 he became the director of the House of Missions where he trained a number of young men to become missionaries His eldest son became a missionary to Lesotho and his eldest daughter married a missionary with whom she returned to Lesotho where she brought up a large family All this has contributed to making the name of Casalis well known in the Kingdom to this day To a certain extent Lesotho s accession to independence in 1966 can be perceived as a distant result of Casalis s work The present King Letsie 111 is a direct descendant of King Moshoeshoe *Histoire de l'Afrique du sud* Gilles Teulié,2019-05-02
