Historic Preservation Guidelines:

A Report on Principles and Guidelines for Historic Preservation in the United States National Trust for Historic Preservation in the United States,1964 The Secretary of the Interior's Standards for Historic Preservation Projects W. Brown Morton,United States. Department of the Interior,1979 *Guidelines for State Historic Preservation Legislation* United States. Advisory Council on Historic Preservation,1972 A Layperson's Guide to Historic Preservation Law Julia H. Miller,2004 A look at the various laws and regulations that protect historic resources as well as laws governing nonprofit organizations and museum properties Revised and updated in 2004 Publisher s Website **The Secretary of the Interior's Standards for Historic Preservation Projects** United States. Department of the Interior,1985 *Design and Preservation Guidelines for Historic Properties in the City of Summit, New Jersey* Summit Historic Preservation Commission (Summit, N.J.),2004 Crafting Preservation Criteria John H. Sprinkle, Jr.,2014-03-05 In 1966 American historic preservation was transformed by the passage of the National Historic Preservation Act which created a National Register of Historic Places Now comprising more than 1 4 million historic properties across the country the National Register is the official federal list of places in the United States thought to be worthy of preservation One of the fundamental principles of the National Register is that every property is evaluated according to a standard set of criteria that provide the framework for understanding why a property is significant in American history The origins of these criteria are important because they provide the threshold for consideration by a broad range of federal preservation programs from planning for continued adaptive use to eligibility for grants and inclusion in heritage tourism and educational programs Crafting Preservation Criteria sets out these preservation criteria for students explaining how they got added to the equation and elucidating the test cases that allowed for their use From artworks to churches from the fifty year rule to the historic scene students will learn how places have been historically evaluated to be placed on the National Register and how the criteria evolved over time The Secretary of the Interior's Standards for Rehabilitation and Illustrated Guidelines for Rehabilitating Historic Buildings Interior Department, National Park Service, Cultural Resources Preservation Assistance Division,2012-12-11 This authoritative guide enhances overall understanding of basic preservation principles Shows specific examples of appropriate treatments and the consequences of inappropriate treatments Also includes list of technical guidance publications **The Secretary of the Interior's Standards for Rehabilitation and Illustrated Guidelines for Rehabilitating Historic Buildings** W. Brown Morton,1992 By Anne E Grimmer et al These are the first set of official guidelines on how to make changes to improve energy efficiency and preserve the character of historic buildings The Guidelines are an important addition to current discussions about sustainability and achieving greater energy efficiency which have focused primarily on new buildings to date This authoritative guide enhances overall understanding of basic preservation principles Shows specific examples of appropriate treatments and the consequences of inappropriate treatments Also includes list of technical
