CONSTITUTIONAL AND ADMINISTRATIVE HISTORY OF MODERN INDIA (1773-1950)

BLOCK INTRODUCTION

The history of constitutional development of India can be traced back to 1773, which for the first time made the provision for the post of Governor General in India. Since then, a number of constitutional experiments were introduced aiming at streamlining the British Indian administration. However, the year 1858, serves as watershed in the Indian Administration because the British Parliament took the direct responsibility of administering India. Thus the period of British Constitutional experiment during the British rule can be divided into two phases (1) Constitutional Experiment during the rule of East India Company (1773-1857) and Constitutional experiment under the British Crown (1858-1947). So this paper discusses the constitutional development in India from 1773 to 1947.
